

April 1, 2024

Dear Affiliate:

In response to your recent request, this is to certify that HSNi, LLC (“Network”), during the calendar quarter ending March 31, 2024:

- 1) provided closed captioning services on its HSN and HSN2 programming services in compliance with the applicable closed captioning regulations of the Federal Communications Commission (“FCC”).
- 2) had no programs originally produced or broadcast primarily for an audience of children 12 years old and under. Accordingly, none of Network’s programming during such quarter constituted “children’s programming” as defined by Section 73.225 or 73.670, as applicable, of the FCC’s rules, and, therefore, none were subject to the commercialization limits imposed on children’s programming (*see* 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children’s programming on our schedule, we would comply with all pertinent FCC requirements and would, at that time, provide notice of the programming change.

Our CALM Act certification and our closed captioning standards certification are located for wide distribution at <http://www.adm.qvc.com/forms.html>.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Joseph V. Reilly".
