Listener comments are solicited on the air through public service announcements. The comments received are transcribed and distributed to all managers and staff throughout the

company for review and response. These listener comment announcements air, on average, 650 times each quarter on this station.

The Bott Radio Network News Update is a daily feature that covers topics of interest to our listeners and their communities that are usually missed by the general news coverage of the day. The Update covers a variety of important issues including politics, education, health care, religious freedom and many others. The Update airs at least twice each day, seven days a week on this station.

Please note that programs listed on this cover page that show multiple times contain the same program content. For example, Focus on the Family's program airs at several times throughout the broadcast day, but the program is always a repeat.
