Westwood One Political Issues Order #203657
American Business Immigration Coalition Action (Direct)
Flight start w/o 12.5.22 – 12.25.22

60:

My name is Shay Myers, and I'm an asparagus and onion producer in Idaho and Oregon. I had to throw out 130,000 pounds of asparagus when I couldn't get the workers I needed for harvest. Our farm workforce crisis is putting our national food security at risk and raising food prices for American families. To make matters worse, the Department of Labor's new H-2A program wage increases of 7 to 15.5% are devastating. The House-Passed Farm Workforce Modernization Act would save farmers nearly \$3 billion dollars over the next two years, help us get the workers we need, lower the cost of your food and make a down payment on border security. I'm tired of politicians giving lip service to fighting inflation and failing to act. Food security is national security - a nation that can't feed itself isn't secure. Tell your Senators to pass a Senate version of the Farm Workforce Modernization Act before they go home for Christmas.
