

**KNTI FM**

Quarterly Issues/Programs List

For programming aired **October 1 to December 31 2020**

This Quarterly Issues/Programs list is a list of non-entertainment programming which, in the opinion of the management of **KNTI FM** represents the most significant treatment by the station of community issues and concern.

This list is not intended to be a comprehensive list of ALL the station's non-entertainment programming. Nor is it designed to list every program broadcast by the station that is responsive to the selected issues. Included are only those programs in which the station devoted significant time or depth to the issue listed.

Survival Story	<b>A man ended 2019 with a survival story after his vehicle went into Clear Lake. At around 4:30PM on Tuesday, a vehicle was reported to be on its top in the lake in an area along Highway 20 west of Paradise Cove. Northshore Fire personnel quickly arrived on the scene. The driver - who was the sole occupant - was trapped in the car, but his head was above water. Rescuers were able to quickly extricate him from the vehicle.</b>	10/2/20	7a 8a 12p 4p 5p	1 minute
Vehicle Crash multiple injuries	There were multiple injuries in a three-vehicle crash in Clearlake yesterday. It happened just before 3:30 p.m. on Lakeshore Drive, in front of Highlands Park. One of the vehicles involved rolled onto its top. One person had major injuries, one had moderate injuries, and two had minor injuries. The person with major injuries was transported by REACH air ambulance to a hospital for treatment. More details on the crash will be released as the investigation continues.	10/03/20	7a 8a 12p 4p 5p	1 minute
New Book US Senate race Confirmation of Amy Coney Barret to Supreme Court	This week on <i>American Radio Journal</i> : <b>Lowman Henry</b> talks with Dr. <b>Paul Kengor</b> from the Institute for Faith & Freedom at Grove City College about his new book <i>The Devil &amp; Karl Marx</i> ; <b>Scott Parkinson</b> of the Club for Growth has the <i>Real Story</i> on the North Carolina U.S. Senate race; <b>Eric Boehm</b> of <i>Reason</i> magazine gets details of the CATO Institute's new report card on the nation's governors from <b>Chris Edwards</b> ; And, <b>Colin Hanna</b> of Let Freedom Ring, USA has an <i>American Radio Journal</i> commentary on why Senate Democrats have paved the way for the confirmation of Amy Coney Barrett to the Supreme Court.	10/04/20	6a	30
COVID-19 outbreak	The COVID-19 outbreak at the Mendocino County Jail continues to expand. The Sheriff's office reports that at least one inmate was hospitalized last week as the outbreak expanded to include 73 people testing positive. A total of 63 inmates had tested	10/04/20	7a 8a 12p 4p 5p	1 minute

	positive for the virus as of January 2nd, and there were 39 active cases at the jail. As of Saturday morning, 17 inmates have recovered from the virus since the outbreak was detected on December 19th when a corrections deputy tested positive. As of January. 2nd, 13 employees had tested positive for the virus, with five cleared to return to work.			
Freezer failure led to vaccine clinic	A freezer failure at Adventist Health Ukiah Valley prompted an emergency vaccine clinic yesterday afternoon. According to the chief medical officer for Adventist Health, the freezer died, and an alarm to alert staff about the failure also didn't go off. Once it was noticed, the vaccine was in danger of thawing. The city was contacted and a team supervised by the Ukiah Valley Fire Authority, were able to administer all the doses by 2PM.	10/05/20	7a 8a 12p 4p 5p	1 minute
Body camera of officer involved shooting	The Lake County Sheriff's Office has now released video footage consisting of in-car video as well as Body Worn Camera video of an Officer Involved Shooting incident that occurred on December 28th, 2019, near the Dollar General Store in Clearlake Oaks. You can find the videos along with a critical incident debrief, by navigating to the "Use of Force" page on the Lake County Sheriff's website.	10/06/20	7a 8a 12p 4p 5p	1 minute
Maximum enforcement period	The California Highway Patrol has released numbers from their two maximum enforcement periods conducted over the holidays. During the 30-hour Christmas enforcement, from 6:01 p.m. Dec. 24 to 11:59 p.m. Dec. 25, 10 people were killed in collisions in California. There were also 271 arrests statewide for driving under the influence. During the New Year's Day Maximum Enforcement Period from 6:01 p.m. Dec. 31 through 11:59 p.m. Jan. 1, three people were killed in crashes, and CHP made 491 DUI arrests.	10/07/20	7a 8a 12p 4p 5p	1 minute
Mendo teacher honored	A Mendocino County teacher is being honored. Elizabeth DeVinny, Digital Media Teacher at Eagle Peak Middle School, has been named Educator of the Year by the California League of Middle Schools for Region 1. The CLS Educator of the Year award is given annually to California elementary, middle, and high school educators who exemplify educational excellence. DeVinny developed an award-winning digital media pathway for students, which has been recognized as a National Program of Excellence. DeVinny is now among the educators up for the State Educator of the Year award.	10/10/20	7a 8a 12p 4p 5p	1 minute

Rapid COVID-19 testing Election results may be delayed	This week on <i>American Radio Journal</i> : <b>Lowman Henry</b> talks with <b>Phil Kerpen</b> from American Commitment about the need for rapid COVID-19 testing; <b>Scott Parkinson</b> from the Club for Growth has the <i>Real Story</i> on the Amy Coney Barrett confirmation hearings; <b>Eric Boehm</b> of <i>Reason</i> magazine explains why election results may be delayed; And, Dr. <b>Paul Kengor</b> from the Institute for Faith & Freedom at Grove City College has an <i>American Radio Journal</i> commentary on the intolerance of the Left.	10/13/20	6a	30 minutes
PG&E monitoring strong winds	PG&E continues to monitor a potentially strong and dry offshore wind event forecasted to start this evening. Given the expected conditions, PG&E began its one-day advance notifications yesterday to customers in areas where PG&E may need to proactively turn power off for safety to reduce the risk of wildfire from energized power lines. Lake County has been upgraded from 30 to 82 customers including five medical baselines. Use the address lookup tool on PG&E's website.	10/14/20	7a 8a 12p 4p 5p	1 minute
PG&E restores power	About 10,000 PG&E customers were restored yesterday with essentially all others expected to have power back on today. The latest Public Safety Power Shutoff, which included just over 80 customers in Lake County, was supposed to impact about 53,000 customers in 24 counties. But PG&E says due to some improving weather conditions and deployment of technology, only about 41,000 were de-energized. The Lake County areas should be restored by 10PM.	10/16/20	7a 8a 12p 4p 5p	1 minute
Police seeking leads	Police are seeking leads on fatal hit-and-run. The incident happened Thursday morning. The California Highway Patrol reports that 59-year-old Carl Curtis Knight, was crossing Highway 29, south of Orchard Street in Lower Lake, at 6:30 a.m. when conditions were dark. Knight was hit while he was in the No. 2 northbound lane of Highway 53, and the driver fled the scene. Anyone who can help identify the driver is asked to contact the Clear Lake CHP office.	10/19/20	7a 8a 12p 4p 5p	1 minute
PG&E warning of PSPS	PG&E is warning it may have to shut the power off again for certain customers to prevent wildfires - and about a thousand Lake County residents could be impacted. The latest public safety power shutoff, could take place as early as tomorrow evening. PG&E says High fire-risk conditions are expected to arrive this evening in Northern California and continue through Friday morning. While there is still	10/20/20	7a 8a 12p 4p 5p	1 minute

	uncertainty regarding the strength and timing of this weather wind event, the shutoff is forecasted to affect about 50,000 customers in targeted portions of 19 counties. In Lake County, the areas that could be impacted include customers in Clearlake Oaks, Cobb, Lower Lake and Middletown.			
Arrest made	An arrest has been made in a murder that happened Monday in Fort Bragg. The Mendocino County Sheriff's Office said 33-year-old Robert Brockway III, is accused of using a sword to kill 60-year-old Jimmie Mooneyham, of Fort Bragg in the 19000 block of Babcock Lane. Brockway was arrested on suspicion of first-degree murder and violation of county parole. He has a previous felony strike under the three strikes law — for a 2009 conviction in Hawaii for first degree burglary.	10/21/20	7a 8a 12p 4p 5p	1 minute
Potential election fraud US senate races competitive Court packing	This week on <i>American Radio Journal</i> : <b>Lowman Henry</b> talks with <b>John Fund</b> of <i>National Review</i> about the potential for election fraud; <b>Scott Parkinson</b> from the Club for Growth has the <i>Real Story</i> on competitive U.S. Senate races; <b>Eric Boehm</b> of <i>Reason</i> magazine discusses Joe Biden and packing the U.S. Supreme Court; And, Col. <b>Frank Ryan</b> , USMC (Ret.) has an <i>American Radio Journal</i> commentary on the U.S. Postal Service.	10/22/20	7a 8a 12p 4p 5p	1 minute
Power restored	As power is being restored for those impacted by the latest round of Public Power Safety Shutoffs, PG&E is gearing up for another possible shutoff this weekend. The City of Ukiah has been notified that there is a possible wind event that may impact PG&E electric customers in the area beginning Sunday. At this time there is no scheduled PSPS event for the City of Ukiah. Officials are monitoring the situation and will provide updates received.	10/23/20	7a 8a 12p 4p 5p	1 minute
PSPS begin due to wind event	Pacific Gas and Electric began a public safety power shutoff yesterday that impacts Lake and Mendocino Counties - along with 34 others in response to the biggest wind event of the season.	10/26/20	7a 8a 12p 4p 5p	1 minute
Power is restored	PG&E is restoring power customers affected by the latest Public Safety Power Shutoff which started Sunday, impacting over 21,000 in Lake County and about 650 in Mendocino County. Most customers remain without power in Lake County with restoration expected by 10 this evening. The utility says PG&E crews are patrolling and inspecting 17-	10/27/20	7a 8a 12p 4p 5p	1 minute

	<p>thousand miles of transmission and distribution lines for any signs of wind damage. Power was cut due to a strong wind event where Lake County recorded gusts up to 71 miles per hour. All seven community resource centers remain open in Lake County today. Find the locations on PG&amp;E's website.</p>			
Mendo moved to a safer tier	<p>Mendocino County is no longer in the most restrictive level of the state's blueprint for a safer economy. The state moved Mendocino County from the top tier purple risk level to the next one down. Under the Red Tier 2 category, the following industries are now permitted indoors or expanded operations in Mendocino County: Restaurants and gyms may now open indoors; Places of worship may now open indoors at 25% capacity or 100 people; Retail stores can have a maximum of 50% capacity; Skilled Nursing Facilities can have limited indoor visitation of residents.</p>	10/28/20	7a 8a 12p 4p 5p	1 minute
Silent Majority strategies Wealth redistribution Vice presidential race, important year	<p>This week on <i>American Radio Journal</i>: <b>Lowman Henry</b> talks with <b>Keith Naughton</b> of Silent Majority Strategies about polling and the 2020 Presidential Election; <b>Scott Parkinson</b> from the Club for Growth has the <i>Real Story</i> on how to watch election results; <b>Eric Boehm</b> of <i>Reason</i> magazine learns how wealth redistribution plans really benefit the rich from <b>Brian Riedl</b> of the Manhattan Institute; And, <b>Colin Hanna</b> of Let Freedom Ring, USA has an <i>American Radio Journal</i> commentary on why the Vice Presidential race is especially important this year.</p>	10/29/20	6a 7a 12p 4p 5p	30 minutes
COVID-19 outbreak at Lake county jail house	<p>A COVID-19 outbreak at the Lake County Jail is growing. A number of inmates who are all housed in a single unit have been undergoing an isolation period after they were exposed to an inmate who tested positive for the COVID-19 virus on October 12th. Last week, the Sheriff's Office learned that a second inmate in that same housing unit also tested positive. Yesterday, 12 more from that same housing unit tested positive. There have been 19 total cases of COVID-19 at the Jail. Medical staff are monitoring the inmates and conducting the testing protocols recommended by Public Health.</p>	10/30/20	7a 8a 12p 4p 5p	1 minute
More COVID-19 cases	<p>2 more COVID-19-related deaths have been confirmed in Lake County. The 16th death, reported early last week, was in a person over age 65 who lived in a senior residential facility and had chronic medical issues. On Thursday, Public Health was informed of the 17th COVID-19-related death - an</p>	11/02/20	7a 8a 12p 4p 5p	1 minute

	individual over 60, who had chronic medical issues and was living at the same senior residential facility as the other person who died. Both deaths are attributed to Lake County's second outbreak at a residential facility, though health officials say that outbreak has begun to stabilize.			
Election day	It's election day and Secretary of State Alex Padilla says 53-percent or almost 12-million registered voters have already turned in their ballots either by mail or early in-person voting. Today, polls are open until 8 p.m. Voters can also drop off their mail-in ballots at County Clerk offices, official drop boxes, or polling places. Find polling places and drop box locations for Lake and Mendocino Counties at <a href="http://lakecountyca.gov">lakecountyca.gov</a> , and <a href="http://mendocinocounty.org">mendocinocounty.org</a> .	11/03/20	7a 8a 12p 4p 5p	1 minute
Preliminary results in	Here are preliminary results for some local races in the General Election.  According to numbers released by the Lake County Registrar of Voters Office, Jessica Pyska leads Bill Kearney for the County Supervisor, District 5 seat with 66% of the vote.	11/04/20	7a 8a 12p 4p 5p	1 minute

3 more COVID-19 cases	Three new COVID-19 cases have been traced to a Mendocino County Juvenile Hall resident. According to a press release, two Mendocino County Juvenile Probation Office staff members, after experiencing mild symptoms, tested positive for COVID-19. Contact tracing showed the two staff members had recently transported the infected resident to the facility, and it is believed that this resident may have been infected before arriving in Mendocino County. All three positive individuals are in isolation. Contact tracing and investigation are still underway.	11/06/20	7a 8a 12p 4p 5p	1 minute
Courthouse closed	The Mendocino County Superior Courts -- meaning both the Ukiah and Fort Bragg courthouses -- will be	11/09/20	7a 8a	1 minute

	closed this week. Mendocino County Superior Court Judge President Ann Moorman issued an emergency order yesterday, closing all aspects of the local courts beginning today through Friday, November 13th, due to COVID-related incidents within the court operations. All persons with court dates and times set for this week should call their attorney for further information and directions. Per DA Eyster, his prosecution, investigations, and Victim/Witness offices in Ukiah and Fort Bragg will remain operational and open as much as possible during the court closure.		12p 4p 5p	
UUSD has meeting about school reopening.	The Lakeport Unified School Board held a special meeting last night to consider when to move into the next phase of the county's Return to School Continuum Plan. During the meeting, they approved the start for Stage 2, hybrid learning, for early January. There was some debate about starting earlier - between the Thanksgiving and Christmas holidays - to allow teachers and students to ease into the new hybrid learning model. But the majority thought it would be best to wait until after the holidays. At its next meeting, the board will decide on sports.	11/10/20	7a 8a 12p 4p 5p	1 minute
Veterans day	Today is Veterans Day, a national holiday set aside to honor those who have served, or are currently serving. Typical Veteran's Day celebrations in Lake and Mendocino Counties can't be held today due to the coronavirus pandemic. Instead, residents are asked to is 29.3 call a veteran, check to make sure they are safe and well, and say thank you.	11/11/20	7a 8a 12p 4p 5p	1 minute
Latest case on Obama care in Supreme Court	This week on <i>American Radio Journal</i> : <b>Lowman Henry</b> talks with <b>Robert Graboyes</b> from the Mercatus Center at George Mason University about the latest Obamacare case before the U.S. Supreme Court; <b>Scott Parkinson</b> from the Club for Growth has the <i>Real Story</i> on the importance of the U.S. Senate run-off elections in Georgia; <b>Eric Boehm</b> of <i>Reason</i> magazine looks at the ongoing legal challenges in the Presidential race; And, Col. <b>Frank Ryan</b> , USMC (Ret.) has an <i>American Radio Journal</i> commentary on why the integrity of the U.S. electoral system is at risk.	11/12/20	6a	30 minutes
Housing for homelessness added a facility	A permanent housing facility dedicated to addressing homelessness has officially opened in Lake County. Hope Center, is a project of Hope Rising Lake County in partnership with several local agencies and the city of Clearlake. The center is	11/13/20	7a 8a 12p 4p 5p	1 minute

	located at 3400 Emerson St. in Clearlake. Partnership Health Plan of California provided \$1.3 million grant funds for the project, which will be the first permanent low-barrier transitional housing facility to open in Lake County. Learn more about Hope Center at <a href="http://www.HopeRisingLC.org">www.HopeRisingLC.org</a> .			
August complex is 100% contained	After nearly three months, seven Incident Management Teams and thousands of personnel, the August Complex is 100% contained at 1,032,648 acres. The August Complex Fire stretched over 5 counties - including Lake and Mendocino, causing evacuations in both counties. The August Complex began as dozens of fires ignited by lightning in the Mendocino National Forest in mid-August and was California's largest fire on record in September as it became the state's first recorded wildfire that reached 1 million acres.	11/16/20	7a 8a 12p 4p 5p	1 minute
CA Governor	Governor Gavin Newsom moved most counties to the Purple Tier in the state's Blueprint for a Safer Economy in response to the recent COVID-19 case surge. Newsom said it's to keep hospitals from reaching capacity with coronavirus cases. While Lake County remains in the Red Tier, Mendocino County, which spent about 2 weeks there, has been moved back to the most restrictive tier, starting today.	11/17/20	7a 8a 12p 4p 5p	1 minute
UUSD decides not to reopen	After being pushed back to the Purple Tier, along with increased COVID numbers in Mendocino County, the Ukiah Unified School District announced they will not begin their expanded reopening process on December 7th. Superintendent Deb Kubin called the decision disappointing, but stressed the health and safety of students, families, and staff are of the utmost importance. Kubin said the district will reach out to parents after Thanksgiving break with a new tentative timeline for expanded reopening.	11/18/20	7a 8a 12p 4p 5p	1 minute

Statewide curfew	A statewide curfew goes into effect tomorrow at 10 p.m. for all counties in the COVID-19 purple tier. Lake County is currently in the red tier and so the curfew doesn't apply, but it does for Mendocino County. The order requires non-essential work, movement and gatherings to stop between 10:00 p.m. and 5:00 a.m. for all counties in the purple tier. Governor Gavin Newsom said yesterday this new limited stay at home order is designed to reduce opportunities for COVID-19 transmission.	11/20/20	7a 8a 12p 4p 5p	1 minute
Man struck while crossing HWY 53	A man who was struck while crossing Highway 53 in Clearlake, died from his injuries. The Clearlake Police Department reports the man, in his 60s, was crossing the road outside of a crosswalk on Highway 53 near 18th Avenue just before 10 p.m. Thursday when he was struck by a vehicle. Police say the driver of the vehicle remained at the scene and was cooperative with the investigation.	11/21/20	7a 8a 12p 4p 5p	1 minute
Bodies of two people found in Covelo	The bodies of two people - possibly those connected to a kidnapping - were found yesterday north of Covelo. On November 19th, the Mendocino County Sheriff's Office received a 911 call from the 24400 Block of Oak Lane related to a reported assault and possible kidnapping of 34-year-old Kyle McCartney, and 48-year-old Traci Bland, both of the Covelo area. Yesterday afternoon, MCSO's Information Officer said two dead bodies were discovered by a bystander alongside Hulls Valley Road north of Covelo. As of this morning, it was not yet confirmed if they are the bodies of the two-missing people.	11/22/20	7a 8a 12p 4p 5p	1 minute

	all distance learning. The school district says the employees who tested positive were not in contact with any students and contact tracing is underway for any adults who may be at risk for infection. Kelseyville Unified's Food Services Department will continue to provide meals to students.		5p	
Step closer to the COVID-19 vaccine	Americans are one step closer to getting the coronavirus vaccine after an F-D-A panel recommended emergency use authorization for Pfizer's and BioNTech's vaccine. The FDA will make a final determination within the next few days. If approved, California health officials say frontline health care workers, senior care home staff and residents would be among the first in the state to receive the vaccine. Pending FDA approval, California expects to receive a little more than two million doses of the vaccine this month.	12/11/20	7a 8a 12p 4p 5p	1 minute
Vaccine shipped yesterday	Pfizer's vaccine was shipped yesterday and California health officials expect to have the first batch here this week. Public Health officer Dr. Gary Pace says nearly 1,000 doses will arrive in Lake County, and the county will work to bring in more doses in the coming weeks. First priority for the vaccines will be hospital staff and medical first responders, then nursing home staff and residents.	12/14/20	7a 8a 12p 4p 5p	1 minute
Vaccine is safe and effective	The Pfizer COVID-19 vaccine that is rolling out across the state is safe and effective. That according to the Western States Scientific Safety Review Workgroup, which provided its review to the governors of California, Nevada, Oregon and Washington. The vaccine is expected to arrive in Lake County this week. Mendocino County is waiting on the delivery of freezers needed to store the vaccines. Should the first batch of vaccines arrive in the county before the freezers do, Adventist Health, who has a freezer capable of maintaining the correct temperature, will store them.	12/15/20	7a 8a 12p 4p 5p	1 minute
Sports update: More HS sports on hold	A youth sports update from the California Department of Public Health, puts most high school sports on hold until the end of January. The guidelines list the sports that are permitted by a county's current tier. Outdoor high-contact sports, and indoor low-contact sports, such as football and volleyball are only allowed in counties that are in the Moderate - orange - tier. Indoor high-contact sports like basketball and wrestling are only allowed in the Minimal - yellow Tier. Lake and Mendocino Counties remain in the Widespread - purple - Tier,	12/16/20	7a 8a 12p 4p 5p	1 minute

	where only low-contact sports like archery, tennis, golf, and running are allowed.

Vaccine arrived in Lake county	The Pfizer COVID-19 vaccine arrived in Lake and Mendocino Counties this week. The first vaccine doses were administered in Ukiah yesterday at Adventist Health. An emergency room doctor was the first person to receive the vaccination. 70-year-old Mark Luoto, also serves as the Emergency Medical Services Director for Mendocino County, said he's grateful for the extra protection that the vaccine provides. The first doses of the Pfizer vaccine arrived in Lake County yesterday and the county's Immunization Coordinator, Lynne Brookes, called it a sign of hope that maybe we can get back to something normal in our world by getting these vaccines out.	12/18/20	7a 8a 12p 4p 5p	1 minute
FDA grant emergency use of vaccine	The F-D-A granted emergency use authorization to Moderna's COVID-19 vaccine. It is the second vaccine the agency has approved for use against the coronavirus pandemic, with the first being Pfizer's vaccine. Just like the Pfizer vaccine, each patient will need to get two doses. Millions of doses of the Moderna COVID-19 vaccine were shipped out yesterday and could begin arriving in states as early as today	12/21/20	7a 8a 12p 4p 5p	1 minute
2 <sup>nd</sup> COVID-19 relief bill is passed	Congressmen John Garamendi and Mike Thompson voted for the b \$900 billion pandemic relief package that was passed last night. The measure includes a \$300 per week federal unemployment supplement, \$284 billion in Paycheck Protection Program loans, \$600 direct payments and \$8 billion for Covid-19 vaccine distribution, and extends the federal eviction moratorium through January 31st.	12/22/20	7a 8a 12p 4p 5p	1 minute
Public health office urges public to stay home	As COVID-19 cases and hospitalizations rise, Lake County's Public Health Officer is urging residents to stay home for Christmas. Yesterday's report for Lake	12/23/20	7a 8a 12p	1 minute

	County showed 234 active cases. There are 13 people hospitalized, which is one of the highest local hospitalization rates during the pandemic. Dr. Gary Pace says the rising numbers in local cases is likely due to Thanksgiving.		4p 5p
