KODA  
Quarterly Issues/Programs List

KODA provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Economic Development; Education Poverty:** Houston Habitat for Humanity on its home buying program.
- **Education Economic Development:** Service Corps of Retired Executives on its mentoring program for young go-getters
- **Education Economic Development; Environment:** Houston Furniture Bank celebrates 29 years of service; their Adopt a family and No Kids on the Floor programs.
- **Education Economic Development; Healthcare:** MIAT Houston on its Airframe & Powerplant Technician program and how it's an especially great path to choose these days.
- **Education Health Parenting:** One Sight sets up permanent clinics offering eye care to poor populations around the world. Laurent discusses Libby the free library app allowing the use of audiobooks and eBooks to Houston Public Library members. Also: news about the Houston Arboretum's Halloween events and the Gulf Coast Regional Blood Center's new hemoglobin test.
- **Education Healthcare Parenting; Poverty:** AIDS Foundation launched a rapid start anti-retroviral treatment project START Now (Strategic, Targeted, Anti-Retroviral Treatment Now).
- **Education Healthcare; Environment; Parenting:** Rod Ryan raising funds for Houston Children's Charity Backpacks; Galveston Bay Foundation's Oyster recycling program; How Service Dogs Inch alps veterans.
- **Education Healthcare; Parenting; Youth** St. Joseph Medical Center on Breast Cancer Awareness.
- **Education; Cultural Diversity; Parenting; Youth:** The Houston Museum of Natural Science opens "Ramses the Great and the Gold of the Pharaohs" on November 20.
- **Education; Economic Development; Healthcare; Parenting:** Combined Arms on supporting our troops when they get out of the military and transition into civilian life. They face unique challenges despite their outstanding training.

- **Education; Healthcare; Crime Prevention; Cultural Diversity:** Prison Entrepreneurship Program gave Sam an opportunity to learn how to start a business while he was serving time in prison. He is out and his company is thriving.
- **Education; Healthcare; Parenting; Economic Development; Cultural Diversity:** The Gary Sinise Foundation helps veterans, first responders and their families. Laurent pays homage to the great French icon of acting: Jean-Paul Belmond who passed away earlier this week.
- **Education; Healthcare; Parenting; Youth; Cultural Diversity:** No Kid Hungry on teaching basic food preparation skills for a healthy lifestyle.
- **Patriotism, Mental Health:** The National Medical Association, who offered insight into the state of the pandemic and vaccination rates within African American communities across the country.
- **Personal Health, Mental Health:** A behavioral expert in the field of Alzheimer's disease and author of Truth, Lies and Alzheimer's: It's Secret Faces.
- **Personal Health, Mental Health:** Eunice Kennedy Shriver National Institute of Child Health & Human Development, to answer questions for pregnant women about COVID-19 and the vaccines.
- **Public Health & Safety:** The National Medical Association offered insight into the state of the pandemic and vaccination rates within African American communities across the country.
- **Public Health & Safety:** The Meg Foundation, an organization that empowers families with the pain management strategies, skills, and support they need to prevent and reduce pain.
- **Public Health & Safety:** The former president of the National Medical Association, who discussed the state of the pandemic, the latest CDC COVID-19 guidance.
- **Public Health & Safety:** U.S. Surgeon General Dr. Vivek Murthy, who offered an update on the state of the pandemic, including everything you need to know about the Delta variant.
- **Public Health, Public Safety:** The Department of Atmospheric Science at Colorado State University, on what you need to know about hurricanes and hurricane season.
- **Public Health, Public Safety:** Harvard Medical School Physicians discuss the current state of the COVID-19 pandemic

- **Public Health, Public Safety:** Healthy Buildings Program at Harvard University's School of Public Health, for the latest on the Delta variant and COVID-19 vaccines
- **Public Health, Public Safety:** U.S. Surgeon General offered an update on the state of the pandemic, including everything you need to know about the Delta variant.
- **Public Health, Public Safety:** Chief medical officer for the CDC's COVID-19 Emergency Response, who discussed the state of the pandemic, the Delta variant.
- **Public Health, Race Relations:** Omar Neal, former Mayor of Tuskegee and nephew of Freddie Lee Tyson, a participant in the Tuskegee Syphilis Study.
