| Program 21-40 | | Written & Produced by: Amirah Zaveri & Evan Rook | |
|--|---|--|-----------------|
| Air Week: 10/3/21 | Studio Production: Jason Dickey | | |
| SEGMENT 1: STAYING HEALTHY THROUGH THE END OF 2021 WITH DELTA IN THE BACKGROUND | | Time | Duration |
| Synopsis: | I don't know if it's just us, but this year really has flown by. It's odd to think that 2022 is only three months away. Unfortunately, the Delta variant is causing the COVID-19 pandemic to still linger on this year, but many are optimistic that the worst is now behind us. Pediatrician Dr. Jenna Wheeler joins us this week to offer up some advice on holiday gatherings, keeping healthy through flu season and the importance of getting younger children vaccinated as soon as they're eligible. | 1:47 | 9:26 |
| Host: | Gary Price | | |
| Guests: | Dr. Jenna Wheeler, pediatric critical care physician, Arnold Palmer's Children's Hospital. | | |
| Issues Covered: | Child Development, Parenting, Education, Pediatric Health, Travel | | |
| Links: | Holiday Tips from the CDC Jenna J Wheeler, MD - Pediatric Critical Care Medicine | | |
| SEGMENT 2: THE MYSTERIES OF ALZHEIMER'S DISEASE | | Time | Duration |
| Synopsis: | Alzheimer's was first described in a female patient back in 1906. For many decades, scientists have been trying to decode this disease with no avail. Instead, more questions keep popping up as we learn more about this complex disease and face dead ends in treatment exploration. Two experts in the field join Viewpoints this week to shed some light on modern Alzheimer's research. | 13:15 | 9:42 |
| Host: | Marty Peterson | | |
| Guests: | Dr. Robert Vassar, scientific director, behavior neurology, Northwestern University Feinberg School of Medicine, director, Alzheimer's Disease Research Center, Mesulam Center for Cognitive Neurology and Alzheimer's Disease at Northwestern University; Dr. Karl Herrup, professor, neurobiology, investigator, Alzheimer's Disease Research Center at the University of Pittsburgh School of Medicine, author, How Not to Study a Disease: The Story of Alzheimer's | | |

| Synopsis: | We explore one of our favorite horror franchises, Scream, now streaming on HBO Max. | 23:57 | 2:30 |
| Host: | Evan Rook | | |
| Issues Covered: | Film, Culture | | |

Program 21-41 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
10/10/21

SEGMENT 1: FANCY A BEER?
Time **Duration**

Synopsis: How long do you think beer has been around for? Well, archaeologists have recently discovered proof of beer-making in the Middle East dating back more than thirteen thousand years. While the rise of hard seltzers has been making headlines lately, beer has a rich cultural history and has evolved as a drink over thousands of years. Two brew experts join us this week to uncover some interesting facts about the beer world.

1:47

9:47

Host: Gary Price

Guests: Dr. Jeffrey Pilcher, professor, history, University of Toronto; Rich Higgins, master cicerone.

Issues Covered: Agriculture, Archaeology, Business, Culture, History, Science

Links: Master Cicerone Certification – The Ultimate Test of Beer — Cicerone.org
 The Beer Archaeologist , History , Smithsonian Magazine
 Jeffrey Pilcher , Department of History , University of Toronto
 Rich Higgins: Virtual Beer Tasting , RichHiggins.com

SEGMENT 2: THE MODERN LIBRARY
Time **Duration**

Synopsis: When's the last time you visited your community library? If it's been awhile, there's a large chance a lot has changed in recent years. Many libraries have stepped up and evolved during the pandemic to offer more remote classes and resources, as well as a place to work and connect with others if you need to get out of the house. The best part? It's all free.

Host: Marty Peterson

13:21

9:10

Guests: Joyce Cooper, director, branch library services, Los Angeles Public Library.

Issues Covered: Career, Community, Education, Internet, Literature, Public Resource

Links: Los Angeles Public Library
 LAPL Labs: Creativity Within Reach
 Fund Libraries Campaign, Advocacy, Legislation & Issues – American Library Association (ALA)

CULTURE CRASH: THE STAGGERED RISE TO STARDOM
Time **Duration**

Synopsis: Dominic Fike, a popular, up-and-coming musician, performed recently at the Firefly Music Festival in Delaware. We discuss his performance at the highly anticipated event and the difficult task of becoming not only a great musician, but performer as well.

23:30

2:56

Host: Evan Rook

Issues Covered: Culture, Music, Music Industry

Program 21-42 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: **Studio Production:** Jason Dickey
10/17/21

SEGMENT 1: THE MODERN PET: A MUCH-ADORED FAMILY MEMBER
Time
Duration

Synopsis: You may have held out on getting a pet for years and years, but when the pandemic hit, it seemed like an opportune time to add a new furry member to the family. Today, more than 70 percent of Americans own one pet or more, and this number is only set to increase in coming years. We speak with two pet experts this week about the evolving sector and the pedestal we place our pets on in this country.

1:47

12:03

Host: Gary Price

Guests: Mark Cushing, founder, CEO, Animal Policy Group, author, *Pet Nation: The Inside Story of How Companion Animals Are Transforming Our Homes, Culture, and Economy*; Dan Rubenstein, CEO, PUPS Pet Club.

Issues Covered: Business, Personal Finance, Relationships, Culture, Animal Welfare

SEGMENT 2: THE HICCUPS IN FOOD MESSAGING & NUTRITION AT THE FDA
Time
Duration

Synopsis: The FDA is a massive organization that handles a wide variety of regulations and responsibilities. However, some critics argue that the FDA has failed to evolve with the times, spending large amounts of resources on dated measures and messaging tactics. Former FDA employee Dr. Richard Williams joins us this week to highlight some of these issues within food messaging and nutrition guidelines.

15:38

6:58

Host: Marty Peterson

Guests: Dr. Richard Williams, former director, Center for Food Safety and Applied Nutrition, FDA, author, *Fixing Food: An FDA Insider Unravels the Myths and Solutions*.

Issues Covered: Marketing, Nutrition, Food Science, Government, Technology, Health, Public Health

Fixing Food by Richard A. Williams, PhD

CULTURE CRASH: THE VIEWING EXPERIENCE
Time
Duration

Synopsis: We discuss the dilemma of cropping full screen shows and films to fit our modern, widescreen TV's. Many who are against this edit argue that changing the format ruins the originality and nostalgia of the media.

23:35

2:52

Host: Evan Rook

Issues Covered: TV, Film, Culture

Program 21-43 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
10/24/21

SEGMENT 1: THE RISE OF 'INFLUENCE' IN THIS WORLD
Time **Duration**

Synopsis: Being an influencer has turned into a career option for some, and today, some college students are pursuing degrees in social media to work within the industry or try their hand at becoming an influencer themselves. We discuss the state of social media education and the larger implications of this shift in modern culture. 1:47 9:42

Host: Gary Price

Guests: Dr. Robert Kozinets, Professor of Journalism and Marketing, University of Southern California Marshall School of Business; Dr. Grace Choi, assistant professor, social media, digital strategy, Columbia College Chicago.

Issues Covered: Social Media, Business, Communication, Education, Career, Technology

CULTURE CRASH: THE SENSATIONAL "SQUID GAME"
Time **Duration**

Synopsis: Netflix's new release, "Squid Game" has become an overnight sensation, garnering more than 111 million views from accounts in just its first few weeks on the platform. What makes the show just so good? 23:36 2:50

Host: Evan Rook

Issues Covered: TV, Culture

Program 21-44 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
 10/31/21

SEGMENT 1: THE MENTAL TOLL OF TEACHING
Time **Duration**

Synopsis: Across the U.S., many teachers are simply overwhelmed. In their careers, they're not only an educator, but a leader, listener and mentor. They play many other roles than simply teaching students the set curriculum. However, the pandemic has exacerbated these duties and some educators are perpetually stressed and leaving the field for good. We speak with two education experts about the current classroom landscape and what schools can do to fully support their teachers to make sure their needs are heard.

1:47 8:46

Host: Gary Price

Guests: Dr. Olga Acosta Price, associate professor, Milken Institute of Public Health, George Washington University, director, Center for Health and Health Care in Schools; Sue Gaertner, director, Trinity Church Nursery School.

Issues Covered: Mental Health, Health, Human Resources, Education, Career

SEGMENT 2: LIVING IN POVERTY IN THE RURAL U.S.
Time **Duration**

Synopsis: Poverty exists, but it's hard to grasp what it's really like if you've never experienced it firsthand. Journalist Sarah Smarsh joins Viewpoints this week to share her story of growing up poor in rural America. She shares memories from her childhood and her perspective on how modern culture stigmatizes and traps people stuck in the cycle of poverty.

12:34 10:02

Host: Marty Peterson

Guests: Sarah Smarsh, journalist, author, *Heartland: A Memoir of Working Hard and Being Broke in the Richest Country on Earth*.

Issues Covered: Public Assistance, Wealth Inequality, Inequality, Poverty, Wealth Gap

CULTURE CRASH: THE NEVER-ENDING MOVIE FRANCHISES
Time **Duration**

Synopsis: We explore the long list of film franchises that seem to go on forever. Among these are the Star Wars franchise and the most recent installment in the Bond series, *No Time to Die*.

23:35 2:52

Host: Evan Rook

Issues Covered: Film, Culture

Program 21-45 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
11/7/21

SEGMENT 1: THE LANDSCAPE OF FOOD INSECURITY AS FOOD PRICES CONTINUE TO SOAR

Time **Duration**

Synopsis: In 2020, nearly 40 million Americans lived in food-insecure households. With food prices rising across the country, food insecurity is only set to worsen, disproportionately affecting minority populations. How can people help? 1:47 8:15

Host: Gary Price

Guests: Dr. Priya Fielding-Singh, sociologist, assistant professor, Department of Family and Consumer Studies, University of Utah, author, *How the Other Half Eats*; Zuani Villarreal, director, communication, Feeding America.

Issues Covered: Nutrition, Inequality, Government, Parenting, Poverty, Public Assistance, Health, Food Insecurity

CULTURE CRASH: CULTURE CRASH: THE RELEASE OF "DUNE"

Time **Duration**

Synopsis: The popular book, "Dune" is now hitting screens in theatres and on streaming platform, HBO Max. We discuss the highly anticipated blockbuster release featuring male lead Timothee Chalamet. 23:39 2:50

Host: Evan Rook

Issues Covered: Culture, Film

Program 21-46 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
11/14/21

SEGMENT 1: THE GREAT RESIGNATION' AS LABOR SHORTAGES CONTINUE
Time Duration

Synopsis: Today, there are close to 11 million vacant jobs in the U.S. – a record-breaking number. Why are more Americans not filling these positions? How is this affecting businesses? What will eventually happen if these jobs go unfilled? We explore these questions and more this week as we're joined by hospitality entrepreneur, Ravindra Jayara, and senior labor economist, Dr. Abigail Wozniak.

1:49 9:33

Host: Gary Price

Guests: Dr. Abigail Wozniak, senior labor economist, Federal Reserve Bank of Minneapolis, director, Opportunity and Inclusive Growth Institute; Ravindra Jayara, owner, Chic Chef Catering.

Issues Covered: Wage Inequity, Domestic Production, Business, Employment Issues, Technology, Labor, Productivity, Career, Economics, Wage Gap

SEGMENT 2: THE VAST EXPANSE OF SPACE
Time Duration

Synopsis: We've barely just scratched the surface of space exploration. Many scientists at NASA and in the private sector have set their sights on the eventual human mission to Mars – but what lies past the red planet? Will humans one day be able to travel outside of our solar system? Physicist Dr. Daniel Whiteson joins us this week to explain the strange and beautiful intricacies of the cosmos.

13:24 9:02

Host: Marty Peterson

Guests: Dr. Daniel Whiteson, professor, astronomy, physics, University of California – Irvine, and author of Frequently Asked Questions About the Universe.

Issues Covered: Science, Technology, Film, Physics, Culture, Astronomy, Space Exploration

Links: Daniel O. Whiteson, PhD - UCI Department of Physics & Astronomy

CULTURE CRASH: THE THANKSGIVING SITCOM CLASSICS
Time Duration

Synopsis: We explore some of our favorite Thanksgiving-themed episodes to get you in the holiday spirit. We touch on multiple "Friends" features to classic Thanksgiving installments of "The Simpsons" that never get old.

23:26 3:02

Host: Evan Rook

Issues Covered: Culture, TV

Program 21-47 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
11/21/21

SEGMENT 1: A BREAKDOWN IN HOUSING
Time Duration

Synopsis: In some cities, people are seeing as high as 30 percent increases on monthly rent. For middle and low-income citizens already on a tight budget, it's impossible to make ends meet – especially as prices for food, gas and other basics keep ticking upwards. We speak with two housing experts about the complete lack of affordable housing in this country and the worsening homelessness epidemic.

1:48 9:06

Host: Gary Price

Guests: Jaimie Ross, CEO, Florida Housing Coalition; Andrew Ross, professor, social & cultural analysis, New York University, and author of Sunbelt Blues: The Failure of American Housing.

Issues Covered: Inequality, Affordable Housing, Government, Poverty, Career, Wage Inequity, Homelessness

SEGMENT 2: REGAINING DIGITAL PRIVACY
Time Duration

Synopsis: While it may seem like people have some control over privacy settings, this is merely an illusion argues law professor Neil Richards. This week on Viewpoints - we highlight the lack of privacy online and why consumers should expect better from corporations and their government.

12:56 9:21

Host: Marty Peterson

Guests: Neil Richards, Koch Distinguished Professor in Law, Washington University in St. Louis School of Law, Director, Cordell Institute, author of Why Privacy Matters.

Issues Covered: Advertising, Technology, Cybersecurity, Consumer Rights, Big Data, Business, Privacy, Law, Digital Law, Government

CULTURE CRASH: A NEW PORTRAYAL OF PRINCESS DIANA
Time Duration

Synopsis: Actress Kristen Stewart plays Princess Diana in the highly anticipated release, "Spencer". We highlight Stewart's performance and what we loved about this new take on the late royal.

23:17 3:09

Host: Evan Rook

Issues Covered: Film, Culture

Program 21-48 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
11/28/21

SEGMENT 1: THE MENTAL HEALTH EFFECTS OF SOLITARY CONFINEMENT & IMPRISONMENT
Time **Duration**

Synopsis: The United States still has the highest number of inmates in the world, with more than 2 million people behind bars. For a segment of this population, spending weeks, months, or even years in solitary confinement is very much a reality. We speak with two criminal justice experts about the lasting effects of solitary confinement and the mental health crisis plaguing prisons.

1:47

8:57

Host: Gary Price

Guests: Dr. Keramet Reiter, Professor, Department of Criminology, Law and Society at the University of California – Irvine; Tracy Velazquez, Manager, Public Safety Research, Pew Charitable Trust.

Issues Covered: Mass Incarceration, Law, Inequality, Government, Humane Treatment, Psychology, Criminology, Mental Health

SEGMENT 2: THE RICH HISTORY OF COMICS
Time **Duration**

Synopsis: There's nothing quite like comics. The art of illustration mixed with text takes on many forms, including comic strips, books, graphic novels and more. Columbia University professor and author of American Comics: A History Jeremy Dauber joins us this week to help highlight the interesting history of comics and how it's evolved into a multi-billion-dollar industry today.

12:46

10:06

Host: Marty Peterson

Guests: Jeremy Dauber, Professor, Jewish Literature & American Studies at Columbia University, and author of American Comics: A History.

Issues Covered: Writing, Business, Literature, Culture, Arts, Entertainment, History

CULTURE CRASH: EXPLORING THE WONDER OF SCIENCE FICTION
Time **Duration**

Synopsis: The Forward is a science fiction series comprising of six short novellas written by prominent authors in the genre. We discuss what we like about this unique format.

23:52

2:34

Host: Evan Rook

Issues Covered: Literature, Culture

Program 21-49 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
12/5/21

SEGMENT 1: GIVING BACK AS CASH TRANSACTIONS BECOME LESS COMMON
Time **Duration**

Synopsis: Do you find yourself carrying less and less cash in recent years? You're not alone. Last year, cash payments made up about 18 percent of all transactions, according to a national study conducted by the Federal Reserve Bank of Atlanta. For homeless populations and nonprofit fundraisers that rely on in-person cash giving, what's the outlook? How can the public help in different ways or donate through digital transactions?

1:47

10:52

Host: Gary Price

Guests: Donald Whitehead Jr., Executive Director, National Coalition for the Homeless; Major Kevin Stoops, General Secretary, The Salvation Army Greater New York Division.

Issues Covered: Personal Finance, Nonprofit, Inequality, Technology, Charitable Giving, Poverty, Homelessness

CULTURE CRASH: A NEW PERSPECTIVE ON THE FAB FOUR
Time **Duration**

Synopsis: Exclusive to Disney+, the new documentary, "Get Back" follows The Beatles in their natural element as they record the album "Let It Be".

24:11

2:15

Host: Evan Rook

Issues Covered: Film, Culture, Music

Program 21-51 Written & Produced by: Amirah Zaveri & Evan Rook

Air Week: Studio Production: Jason Dickey
12/19/21

SEGMENT 1: OUR DEEP RELIANCE ON SCENT
Time **Duration**

Synopsis: A familiar aroma has the ability to transport us back to a different time in life or remind us of a specific place or person. Smell is deeply connected to memory and emotion, playing a significant role in how we view the world around us. This week – we highlight the power of smell, how our noses process these scents and what it’s like when you lose your sense of smell. 1:49 8:49

Host: Gary Price

Guests: Sharan Sampath; Jude Stewart, journalist, author of Revelations in Air: A Guidebook to Smell.

Issues Covered: Communication, Culture, History, Health, Memory, Senses, Literature

12/26/21

SEGMENT 1: THE CONSEQUENCES OF VOTER ERROR
Time
Duration

Synopsis: In 2006, Filipino immigrant Elizabeth Keathley mistakenly registered to vote while at a DMV in Illinois. After receiving her Voter ID in the mail, she ended up casting a ballot in the next election thinking she could do so. However, she wasn't a U.S. citizen at the time and, because of her actions, faced eventual deportation back to the Philippines. We speak with Keathley and the lawyer who helped her, Richard Hanus, about her years-long legal fight and the common confusion around the Motor Voter Law.

1:47

10:50

Host: Gary Price

Guests: Elizabeth Keathley; Richard Hanus, immigration lawyer.

Issues Covered: Legal Issues, Voter Eligibility, Immigration, Voting Rights, Law, Government

Links: The Law Offices Of Richard Hanus

SEGMENT 1: GETTING THROUGH GRIEF

Time Duration

Synopsis:

Grief is unfortunately more common during the Covid-19 pandemic. But many people don't know what to do when their pain does not follow the road map they expect--the well-known five stages of grief. Two experts on grief discuss what can happen under various scenarios when a loved one dies, and what people can do to make it through their pain.

1:48

12:02

Host & Producer: Reed Pence

Guests:

Dr. Teralyn Sell, psychologist and founder, DrTeralyn.com; Dr. Katherine Shear, Professor of Psychiatry, Columbia University and Director, Center for Complicated Grief

Compliance issues: Mental Health, Health, Family Issues

SEGMENT 1: ARE REGULAR PEOPLE EQUIPPED TO MAKE COMPLICATED MEDICAL DECISIONS?

Time

Duration

Synopsis:

Patients have to make medical choices today that they never did before. But do they have enough information to make those choices? Are normal people able to understand the flood of information and the medical terms to make good choices? An expert discusses how patients can work through these issues.

1:43

13:05

Host: Reed Pence

Producer: Libby Foster

Guests:

Dr. Talya Miron-Shatz, visiting researcher, University of Cambridge and author, *Your Life Depends On It: What You Can Do to Make Better Choices About Your Health*

SEGMENT 1: ENDEMIC COVID: THE DISEASE THAT NEVER LEAVES

Time Duration

Synopsis: Many experts believe we have missed our chance to eliminate Covid-19, and that now it is very likely to become an endemic disease--one that persists, though at lower levels, and never goes away. Two noted infectious disease experts discuss what that means for precautions and lifestyles in perpetuity. 1:50 13:33

Host & Producer: Reed Pence

Guests: Dr. Iahn Gonsenhauser, Chief Quality and Patient Safety Officer, Ohio State Wexner Medical Center;
Dr. William Schaffner, Professor of Preventive Medicine and Infectious Diseases, Vanderbilt University

Compliancy issues: Medicine, Public Safety, Consumerism, Health Care, Health, Lifestyles

SEGMENT 1: THE DANGERS OF FACIAL RECOGNITION

Time Duration

Synopsis: Facial recognition technology is everywhere, from your smartphone to the grocery store to city streets. But do we really want to be constantly tracked? Law enforcement finds it immensely helpful, but many experts say it's a massive invasion of privacy that needs limitation. Experts discuss. **1:50 13:30**

Host & Producer: Reed Pence

Guests: Dr. Michal Kosinski, Associate Professor of Organizational Behavior, Stanford University Graduate School of Business; Shawn Shan, PhD candidate, University of Chicago and member of team developing Fawkes facial recognition cloaking software

Compliance issues: Discrimination, Law Enforcement, Public Safety, Economics, Social Media, Technology, Right to Privacy, Consumerism

SEGMENT 2: IMPROVING VACCINE COMMUNICATION

Time

Duration

Synopsis:

The White House and many health officials have taken an aggressive approach to communicating the need for Covid-19 vaccines. Most people are prompted to get vaccinated by mandates and words that generate fear, but it's clear that they backfire with a sizable minority of others. A communications expert discusses how certain words motivate some groups and repel others.

15:43

7:18

SEGMENT 2: ADVANCES THAT MAY ELIMINATE SCARRING

Time Duration

Synopsis: Scars are a public health as well as aesthetic threat, as internal scars can compromise the function of organs and tissues. Scientists are now devising medications that promote healing without producing scars. One of the scientists on the front lines discusses how these medicines work and their possible uses.

14:24 8:33

Host: Nancy Benson

Producer: Polly Hansen

Guests: Dr. Michael Longaker, Professor of Surgery and Director, Institute of Stem Cell Biology and Regenerative Medicine, Stanford University

Compliance issues: Health Care, Consumerism, Technology, Public Health, Education
