[Continue the list through the end of the quarter.]

Ascertainment of Issues for KTEN-TV, 4th Quarter 2003:

As KTEN-TV's news team reviews the events affecting our local communities, we realized that the state of the local and state economies is strapping local resources. We were also struck by the Texoma region's commitment to a high quality of life. Toward this end, we will focus our coverage on the economy and its impact on north Texas and south Oklahoma, as well as on our public's safety.

Preview of Issues for KTEN-TV, 4th Quarter 2003:

During the first quarter of 2004, KTEN-TV will make every effort to report on the local economy, while keeping a keen eye trained on public safety in southern Oklahoma and north Texas.
