Healthy Babies	Perspectives	<p>Talked with James Rothman, Pres. Crossroads Financial and Volunteer PBC March of Dimes. He got involved when his now 7 year old twin girls were born premature. The March of Dimes has been around since FDR administration and originally set out to find a cure for polio. Once they did that they moved on to helping folks have healthier babies. Some of the info they've discovered is the need for Folic acid to help prevent some birth defects, and the drug Surfactin (which helps premie babies lungs). They are constantly doing research and providing education/counseling to families with children in need of care. To find out the different programs, listeners can go to www.marchofdimes.org/fl and get that, sign up for one of the fundraising walks or simply donate.</p>	<p>James Rothman, Pres. <p>Hunger Food Drive</p>	<p>Clear Connections</p>	<p>The volunteer coordinator for the Sebastian area for the Stamp Out Hunger Food Drive asks you to leave non-perishable food items in the bag that will be delivered to your mailbox a few days before the event. On Saturday, May 9 build a bag with non-perishable food and place next to your mailbox. Volunteers and your area letter carriers will pick them up. No glass, please, because too much is lost from breakage. It is easy to make a difference. Generously fill the bag and remind your family, neighbors and coworkers to do the same. The need grows bigger every year. Last year with the help thousands of volunteers all across America they collected more than 70 million pounds of nonperishable food. Meredith thanked listeners for the help last year and encouraged participation this year.</p>	<p>Meredith McElroy, Sebastian Post Office</p>	<p>4-20-1 to 5-4-15 5X/day</p>	<p>1:30 min each</p>

Mental Illness	Clear Connections	<p>Doctor Brugnoli asked our audience, "what would you think if your doctor used the phrase stage IV when talking about your health?" For many illnesses, stage for means cancer or heart disease. He pointed out that we don't wait years to treat them and the best course is prevention. So why do we do the same for individuals were dealing with potentially serious mental illness? It's time to change the conversation. May is mental health month in America. The Mental Health Association's Stage IV Campaign calls attention to the importance of addressing mental health symptoms early. Identify potential underlying illnesses and plan an appropriate course of action. Take a screening and find out more at www.mentalhealthAmerica.net or visit the Mental Health Association in Indian River County's walk-in center the 2037 place Vero Beach, for immediate assessment. The message in mental health month is "it's okay to get help".</p>	Dr. Robert Brugnoli, Director Mental Health Assoc Indian River County	5-5-15 to 5-11-15 5X/day	1:30 min each

<p>Health Care for underserved</p>	<p>Clear Connections</p>	<p>Hands of St. Lucie County is the St. Lucie County "volunteers in medicine affiliate" and registered nonprofit endeavors to meet health care needs of the medically underserved population of St. Lucie County. In St. Lucie County, one in three adults is uninsured. Even with the reforms made by the affordable care act and its array of health insurance options, life-saving and cost-saving services provided by Hands are still urgently needed. The Congressional Budget Office estimates that 31 million people remain uninsured. Hands volunteer physicians and dentists provide multi-patients with free medical, dental and mental health services, providing a safety net for those who have fallen through the cracks of America's health care system. In order to continue to provide those much-needed healthcare services, Hands needs your financial support. For a tour of the facilities or to make a donation call 772-462-5652. She thanked the community for their support of Hands of St Lucie County.</p>	<p>Sydney Liebman, Development Director Hands of St. Lucie County</p>	<p>6-13-15 to 6-19-15 5x/day</p>	<p>1:30 min each</p>
