So, the Live Like Jake Foundation was created to raise awareness for drowning prevention and provide swim lesson scholarships to those who can't afford them. They also provide financial and emotional support to families who have lost a loved one or have a child with critical care needs. They opened an indoor swim facility in November 2020 at 10311 Ironwood Road, Palm Beach Gardens, FL 33410 and work with other ISR certified instructors/pools to help children get certified throughout the county and country. Scholarships are available, form is on the website, www.livelikejake.org .
