The early pilgrims gave thanks and they invited their neighbors to join them in celebrating. It is open to everyone and there is no charge. The holidays are a perfect time to thank a Veteran. While most are doing well, there are many that struggle with PTSD and other emotional or physical limitations that prevent them from gainful employment. They live a meager existence, barely scarping by on their government allowance. If you are moved to thank a veteran, you can do so with a gift at any one of the Veteran's Service offices along the Treasure Coast or you can drop something off at the Victory Store in the Indian River Mall. Veterans can use grocery gift cards, dining gift cards, or other gift cards to buy their children Christmas presents.
