Dear Ms. Goldin:

We have completed our review of the response of Capstar TX, LLC, licensee of the above-noted station, to the February 16, 2012 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11) for non-commercial stations, the licensee must place copies of this letter, our February 16th audit letter, and the audit response in the public inspection file of each station. The licensee must maintain these materials in the files until grant, by final order, of its next renewal application for the station to which the file relates.

Should you have any questions regarding this matter, please contact the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
