Dear Mr. Schollmeyer:

This letter relates to the agreement between you and Duhamel Broadcasting Enterprises ("DBE") by which you retransmit the signal of station KSGW-TV via your cable system(s), including all communities served by your headend located in Lame Deer, MT. As you know, that agreement expires on December 31, 2011, unless extended pursuant to its term. For the avoidance of confusion, this letter is to provide you notice that DBE does not agree to the extension of the current agreement on the same terms under which the station's signal is now carried. We do, however, look forward to notifying you by October 1, 2011 of the legal basis on which we will seek continued carriage of the station's signal after December 31, 2011.

If you wish to contact us at DBE, please contact Monte Loos, Operations Manager at 605-342-2000 at Ext. 701 or looskota@kotatv.com

Sincerely yours
