MEMORANDUM

TO: Station Internal Files
DATE: October 1, 2015
RE: Circumstances concerning Midday Personality and Afternoon Drive hires

To fill the positions of Midday Personality and Afternoon Drive on October 1, 2015, this station employment unit ("SEU") faced exigent circumstances requiring confidentiality and presenting an opportunity to hire unique/exceptional talent from a direct competitor. As a result, the SEU did not widely disseminate the vacancy notices in order to bring on unique talents who are well-known in the market. Further, these hires were part of a confidential on-air restructuring, and public recruitment may have compromised the situation (because the then-existing on-air personalities were not aware of the restructuring).
