Let's Talk About It –	Host –Telisa Franklin October 27, 2020 - 10:00-11:00am	-Health Tuesday, Dr. Todd Motley – Methodist South- Topic: Infections –a germ a living thing causing harm to the body. You may feel you need an antibiotic if feeling a certain way but that's not always the case. Because it's not good to use an antibiotic or penicillin pill for just because you're sick or not feeling better. Remember antibiotics are used for certain symptoms and reasons.
Let's Talk About It	Host –Telisa Franklin November 11, 2020 10:00am-11:00am	– Shelby County Register Shelandra Y. Ford The Register of Deeds is Shelby County's elected record keeper involving tax liens, property titles, mortgages, bankruptcy documents, marriage settlements, contracts, powers of attorney, real estate conveyances, armed forces discharges, and various affidavits. The Register also manages the Shelby County Archives which preserves the history of our county and provides a valuable resource to members of the community researching the past. The Shelby County Register's Office is a fee-based operation and is not generated by taxpayer dollars. During the COVID-19 pandemic, the Registers Office has remained open and has continued to offer its full slate of services while taking precautions to ensure the safety of its customers and staff.
Let's Talk	Host –Cleveland	Guest: Attorney Carol Chumney

Law	November 30, 2020 6:00pm -7:00pm	Topic: Church Law, Presidential election Lawsuit Church Law and Legal Definition. Church is a term subject to different usages. It refers or can refer to all of Jesus' followers, viewed as a community. Plus, it can refer to specific institutions, either the local congregation or a national or international body. Plus, it can be used to refer to the building where those who profess the Christian religion ... Calls: (5)
Let's Talk Law	Host: Cleveland December 14, 2020- 6:00-7:00pm	Guest Attorney: Kerry Krauch (CLS) Topic: Divorce, Getting Justice during COVID-19 Whether you choose to proceed with your divorce or hold off for now, you will most likely have to take into consideration the impact COVID-19 has had on the economy, real estate values, financial markets, unemployment and other areas when negotiating your divorce settlement and making decisions about your assets, your children and your home. Some factors you should consider when going through a divorce during COVID-19: The impact of the pandemic on your divorce timeline, Your financial settlement, Your home appraisal or business valuation, Your living expenses, Your plan to sell or keep the house, Your co-parenting or custody arrangement, Whether you have been abused or accused of abuse, and Your family's health and safety.
