**Re: Mandatory Carriage Election
KNDB – Minot-Bismarck-Dickinson (Williston) ND DMA**

Dear Ms Nelson:

We received KNDB's letter postmarked September 15, 2017 electing mandatory carriage for the upcoming election cycle. DISH Network accepts your election and looks forward to continued carriage of KNDB per federal must carry regulations for the election cycle commencing January 1, 2018.

Subject to KNDB's delivery of a "good quality signal" as defined in 47 C.F.R. § 76.66(g)(2), DISH Network will carry KNDB's primary channel during the upcoming election cycle ending on December 31, 2020 for so long as such primary channel does not substantially duplicate the programming of any other station within the market and complies with all federal regulations applicable to mandatory carriage.

Please be advised that the location of DISH's local receive facility in your designated market area will be made available on the DISH website at <https://www.dish.com/local-receive-facilities/>, no later than September 3, 2017.

DISH Network reserves the right to deny carriage to those stations that fail to deliver a good quality signal to DISH Network's local receive facility. Please contact Teresa Cain, Locals Operations at (303) 723-2628, should you anticipate signal delivery issues.

Sincerely,

Dear Ms Nelson:

We received KNDM's letter postmarked September 15, 2017, electing mandatory carriage for the upcoming election cycle commencing on January 1, 2018 and ending on December 31, 2020. It is our understanding that KNDM substantially duplicates the signal of other local television broadcast stations assigned to the applicable DMA. As such, your election is rejected on this basis pursuant to federal regulations.

If you have information to demonstrate non-duplication, such as monthly programming schedules, please forward the programming schedules for each station to DISH Programming, attention Teresa Cain (teresa.cain@dish.com) and we will be pleased to consider such information.

Thank you in advance for correcting your database and coverage area. If you have any questions you can reach me at (701) 461-7030.
