Consent of the Station for retransmission of its signals will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed Election Statement.

I would appreciate your contacting me to discuss the terms under which the cable system(s) may retransmit the Station's signals. **Re: 2008 Three-Year Election for Retransmission Consent**

Dear Jim,

In accordance with section 76.64 of the rules of the Federal Communications Commission ("FCC"), this is to notify you that stations KNDX-TV, Bismarck, North Dakota; KXND-TV, Minot, North Dakota; K38HA, Dickinson, North Dakota; K38HS, Williston, North Dakota and KNDX-DT, Bismarck, North Dakota; KXND-DT, Minot, North Dakota; K38HA-DT, Dickinson, North Dakota; K38HS-DT, Williston, North Dakota; K42FY Dickinson, North Dakota; K44HR Williston, North Dakota; K42FY-DT Dickinson, North Dakota; K44HR-DT Williston, North Dakota (the "Station") elects to require Stanley Cablevision, which serves the community(ies), and/or county(ies), and unincorporated areas within those community(ies) and county(ies) listed on the enclosed 2008 Cable Retransmission Consent Election Statement, to obtain the consent of the Station for retransmission of its analog and digital signals effective January 1, 2009, through December 31, 2011. Consent of the Station for retransmission of its signals will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) listed on the enclosed Election Statement.

I would appreciate your contacting me to discuss the terms under which the cable system(s) may retransmit the Station's signals. If you already have a retransmission consent agreement that covers the Station for all or a portion of the January 1, 2009, through December 31, 2011, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2011, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if such an agreement contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the cable system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Very truly yours,
