

Quarterly Issues/Program List  
Period: 10/16/16 – 12/03/16

The following is a listing of some of the significant issues responded to by station WNYH, Huntington, New York, along with most significant programming treatment of those issues for the period above. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of issue	Program/Segment	Day/Date	Times	Duration (in min)	Narration of type and Description of Program
Family Issues	Alzheimer's Awareness	10/19/16	08:50 AM	3.00	This campaign motivates families to have critical conversations to help detect the early signs of Alzheimer's, thus allowing more time for critical care planning.
Community Issues	School Mental Health	10/27/16	06:55 AM	5.00	There is an increase of today's youths facing mental health challenges, particularly those of color. Experiencing systemic racism, bullying and other traumas and accessing the support they need.
Health Issues	Diabetes Prevention	11/02/16	07:25 AM	5.00	Take a one minute risk test for type 2 diabetes. This campaign highlights the importance of early detection and prevention.
Community Issues	Retirement Planning	11/08/16	07:45 PM	15.00	The importance of preparation of saving for your retirement will prevent you from settling for a lower standard of living in the future. Take charge of your financial future today!
Community Issues	Hunger Prevention	11/16/16	08:50 AM	10.00	Feeding America is the largest hunger relief organization in the United States, with a network of food banks feeding millions of families every year. It is crucial that these food banks continue to be replenished with fresh stock in these hard times.
Community Issues	Car Safety	11/23/16	01:50 PM	5.00	Motor vehicle crashes are a leading cause of death for children under 13. This campaign encourages parents and caregivers to correctly buckle up their kids in the right child seat for their age and size by reminding them of the importance of getting the big stuff, like car safety right.
Community Issues	Armed Weapon Safety	11/30/16	07:55 AM	4.00	About 43% of adults living in a household where there is a firearm, family fire is an issue that affects communities across the US. Storing guns safely locked, unloaded, and separately from ammunition keeps families safe.
