

Quarterly Issues/Program List  
Period: 03/10/19 – 04/27/19

The following is a listing of some of the significant issues responded to by station WNYH, Huntington, New York, along with most significant programming treatment of those issues for the period above. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of issue	Program/Segment	Day/Date	Times	Duration (in min)	Narration of type and Description of Program
Community Issues	CONCLICO Informs	03/13/19	10:00 AM	25.00	This is a conference to discuss how ministry leaders should confront the issues of spousal and child abuse in the community and the responsibility of the church to aid victims of abuse.
Community Issues	Financial Advisor	03/20/19	04:55 PM	5.00	This campaign is to stress the importance of keeping to a budget and pay by cash when you can to get a visceral feel of your limits. It is easy to lose control of your finances with credit cards but one must strive to prevent crippling debt.
Community Issues	Citizen Corps Council	03/27/19	02:00 PM	10.00	The NYC Citizen Corps Council brings awareness to purchasing carbon monoxide detectors for your basement to warn of possible leaks and saving lives.
Community Issues	CONCLICO Informs	04/03/19	04:40 PM	20.00	The program discusses about the dire need for immigration reform and encourages citizens to push for Congress to address the issues regarding the current policy.
Community Issues	NY Purple Heart	04/10/19	11:55 AM	5.00	The season of spring-cleaning is upon us. So it's time to donate gently used clothing, toys and linens to charities that support our veterans.
Community Issues	Earth Day	04/17/19	01:50 PM	5.00	April 22 <sup>nd</sup> is Earth Day and the whole month is observed to demonstrate support for environmental protection worldwide. Encouraging to preserve the only planet we live in for the future generations.
Safety Issues	Home Safety	04/24/19	05:00 PM	18.00	Now that many people are currently doing spring cleaning in their homes, here some important safety checks; put new batteries for the fire alarm and CO2 alarm and replace any detectors that are over 5 years old.
