

Quarterly Issues/Program List  
Period: 09/09/12 – 10/27/12

The following is a listing of some of the significant issues responded to by station WNYH, Huntington, New York, along with most significant programming treatment of those issues for the period above. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of issue	Program/Segment	Day/Date	Times	Duration (in min)	Narration of type and Description of Program
Community Issues	Remembrance and Reflection	09/11/12	11:30 AM	15.00	Rev. Josue Ayala discusses the significance of the tragedy that happened a decade ago when the twin towers were attacked by terrorists who, under the guise of religion, declared war on the US.
Health Issues	National Cholesterol Education Month	09/19/12	02:50 PM	10.00	It is important to know the difference between good cholesterol and bad cholesterol. To control or prevent high bad cholesterol, it is crucial to have a low-fat diet that is high in fiber and low in salt.
Safety Issues	Hazardous Roads	09/26/12	06:20 PM	5.00	With hurricane season passing through, heavy rain combined with the falling autumn leaves, makes for some extra slippery roads. Drivers should take extra caution while driving, especially at night, now that the sun sets earlier than it did in the summer.
Community Issues	Breast Cancer Awareness Month	10/03/12	11:55 AM	5.00	October is Breast Cancer Awareness month and charities have begun their campaign to raise funds and remind women to get early detection.
Community Issues	Winter proofing Tips	10/10/12	04:20 PM	10.00	As the weather is getting chilly, here are some important tips to save energy and heat in your home.
Family Issues	Importance of Bonding	10/17/12	06:35 PM	15.00	In the age of computers, people can communicate all over the world without leaving their chair, but this generation is becoming more and more detached from socializing with people physically. It is important for parents to encourage kids to get off their keyboards and actually hang out with friends and family.
Safety Issues	Hurricane Warning	10/26/12	12:55 PM	5.00	Hurricane Sandy is making its course up north towards the east coast. It is imperative to be prepared for power outages and flooding.
