

Quarterly Issues/Program List
Period: 07/24/16 – 09/03/16

The following is a listing of some of the significant issues responded to by station WNYH, Huntington, New York, along with most significant programming treatment of those issues for the period above. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of issue	Program/Segment	Day/Date	Times	Duration (in min)	Narration of type and Description of Program
Community Issues	Power of Prayer	07/26/16	10:50 AM	10.00	Sister Berroa discusses the significance of prayer and the power it brings to the faithful by encouraging the gift of hope and light.
Health Issues	Sound Mind and Body	08/03/16	10:55 PM	5.00	Psychologist explores the body's chemical reaction to anger. Being angered can cause a variety of health risks such as strokes for people suffering from hypertension. In order to control boiling emotions, it helps to count to 10 the next time you're angry. It will calm nerves and help the brain to rationally cope with the situation.
Community Issues	Forest Fire Prevention	08/10/16	06:55 AM	05.00	Unlike many natural disasters, most wildfires are caused by people. It is imperative to be vigilant about fire safety and proper disposal of combustibles.
Community Issues	Girls Scouts	08/18/16	07:45 PM	15.00	At Girl Scouts, girls are exploring what's possible, turning dreams into reality, and changing the world. Sign up your little ones to take leadership roles, engage in all sorts of girl-led activities and develop skills to make a difference.
Health Issues	Dental Lifeline	08/25/16	08:50 AM	10.00	This free dental treatment program helps vulnerable people with disabilities, the elderly or medically fragile. People who cannot afford necessary treatment and cannot get public aid can now receive treatment through a volunteer network of 15,000 dentists and 3,500 dental labs across USA.
Community Issues	School Essentials	09/01/16	02:55 PM	5.00	While preparing your kids for back to school, a reminder that all 7 and 12 grade students must be fully vaccinated against meningococcal disease before school this September.
