

Quarterly Issues/Program List
Period: 05/29/22 – 07/23/22

The following is a listing of some of the significant issues responded to by station WNYH, Huntington, New York, along with most significant programming treatment of those issues for the period above. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of issue	Program/Segment	Day/Date	Times	Duration	Narration of type and Description of Program
Community Issues	Wildfire Prevention	06/08/22	01:00 PM	01.00	Grilling in the great outdoors is fun but don't forget to safely clean up afterwards. The proper disposal of hot coals is one of many ways to prevent forest fires. Protect your most precious cargo by choosing the right size seat for your child. Visit website nhtsa.org to learn how to pick the correct booster car seat for your kid. This campaign reminds listeners never to text and drive. Suggesting to give their phone to a passenger, or place it in the glove compartment and never turn your attention away from the road. Brother Stair discussing the state of events happening in the world, especially from an economic standpoint with those calling in vocalizing their concern on how to cope with the new reality. Today alone, 5,200 people in USA will be diagnosed with cancer. Progress against one type of cancer is progress against all cancer, which is why we're committed to funding research and awareness focused on incorporating health equity in cancer care, for the benefit of all. One in two Americans have high blood pressure. The "Get Down With Your Blood Pressure" campaign teaches adults that self-monitoring their blood pressure is as easy as 4 simple steps: get it, slip it, cuff it, check it. Many households that experience food insecurity do not qualify for federal nutrition programs and visit their local food banks and other food programs for extra support. Which is why donations are an important part of keeping America hunger free.
