Issue: Village of Owego

Issue: Judicial System

Issue: Mayor + Village Board

Discussions: The Village of Owego has announced the details for the Aug 1 referendum vote to let residents decide on whether or not to abolish the Village Court and change the Clerk/Treasurer position to appointed. The vote will be from noon to 9p at the Central Fire Station. The proposition to abolish the Village Court would transfer all operations to the Town of Owego. The proposition to move the Clerk/Treasurer to an appointed position would mean the office would be filled by an appointment of the Mayor + Village Board instead of by the public.

Issue: _____

Discussions: Representatives from Elderwood discussed what they offer (7 levels of care from skilled nursing to ^{sub}acute care to respite, etc memory care and more.) The main focus was on outpatient rehab for this interview. Elderwood is celebrating the outpatient rehab unit being open for one year and was inviting the community to the celebration. The outpatient rehab unit grew out of needed services in Tioga County for speech or occupational therapy for individuals needing those services, but not needing hospitalization for it.

Issue: Infrastructure

Issue: Tioga County

Issue: Weather

Discussions: Two straight days of flash flooding in Tioga County have forced the closure of the bridges that go over Wappinger Creek between Exits 62+63 of state highway Rt. 17. The bridges sustained damage to their foundations and waters need to recede before proper assessments for damage + a repair timeline can be made. Traffic in both directions is diverted to East River Road, which has created solid traffic in the 3 mile detour on a road not meant to handle that amount of traffic.
