Do No Harm: The Opioid Epidemic

When members of the medical profession take the Hippocratic oath, they never imagine that the drugs they prescribe for pain would kill or destroy the lives of their patients. But that is what began happening across America in the year 1997. This 3-part series traces how an aggressive pharmaceutical marketing campaign mislead doctors and the public into our current crisis of death and addiction, and what we can do to stop this man-made epidemic.
