

KUAC-FM QUARTERLY ISSUES LIST

April 1st – June 30, 2016

KUAC has identified the following current issues and problems as significant ones for the greater Fairbanks listening area. This list was determined by informal interviews of community leaders and university experts in the social and political science fields, listener comments, local newspapers, letters to the editor, press releases from various state and city agencies, communications from state legislators and their aides, and community meetings such as the Borough Assembly, School Board and personal interviews and informal written surveys. The list is as follows:

1. Arts (local performances and quality of life)
2. Alaska Native issues
3. Consumer issues or awareness
4. Community issues or awareness
5. Economy (state and local)
6. Education (and local school board issues)
7. Elections
8. Environment
9. Fairbanks North Star Borough Assembly and City Council activities
10. Government (state, federal or local programs, policies, agencies or offices)
11. Governor (speeches, teleconferences, press conferences etc)
12. Justice and the court system
13. Legislative activities
14. Minorities
15. Public health
16. Recreation
17. Social Issues (alcohol/drugs, domestic violence, etc)
18. Transportation
19. University of Alaska
20. Women's issues
21. Youth issues
22. Wildlife

The following pages summarize some of the local and statewide programs that address these problems and have aired on KUAC-FM during this quarter.

KUAC-FM QUARTERLY ISSUES LIST
January 1st – March 31st, 2015

KUAC has identified the following current issues and problems as significant ones for the greater Fairbanks listening area. This list was determined by informal interviews of community leaders and university experts in the social and political science fields, listener comments, local newspapers, letters to the editor, press releases from various state and city agencies, communications from state legislators and their aides, and community meetings such as the Borough Assembly, School Board and personal interviews and informal written surveys. The list is as follows:

1. Arts (local performances and quality of life)
2. Alaska Native issues
3. Consumer issues or awareness
4. Community issues or awareness
5. Economy (state and local)
6. Education (and local school board issues)
7. Elections
8. Environment
9. Fairbanks North Star Borough Assembly and City Council activities
10. Government (state, federal or local programs, policies, agencies or offices)
11. Governor (speeches, teleconferences, press conferences etc)
12. Justice and the court system
13. Legislative activities
14. Minorities
15. Public health
16. Recreation
17. Social Issues (alcohol/drugs, domestic violence, etc)
18. Transportation
19. University of Alaska
20. Women's issues
21. Youth issues
22. Wildlife

The following pages summarize some of the local and statewide programs that address these problems and have aired on KUAC-FM during this quarter.

Keith Martin
KUAC
April 10, 2015

PRODUCER KEY
