Local Issues Programs
Programming WBXF-CD

WBXF-CD replays Des Moines IA city council meetings Monday, Wednesday and Friday. Schedule may change based on length of content.

We are committed to offering a platform for locally produced programs including the broadcast of several church services of varying denominations. The station avails itself to anyone who wishes to air any locally produced material suitable to broadcast and will continue to work with the public to ensure that the needs of the community are being met. We feel that not only does this type of programming meet the Commission's requirements for locally produced programming, but it can also address issues that affect the community.
