RADIO QUARTERLY ISSUES/PROGAMS LISTING

Requirements: Sections 73.3526(e)(12) and 73.3527(e)(8) of the FCC's rules require that every three months each radio broadcast station prepare a listing of programs that have provided by the station to address and treat the most significant community issues during the preceding three month period. The list for each calendar quarter is to be filed by the tenth (10th) day of the succeeding calendar quarter (e.g., January 10 for the quarter October through December, April 10 for the quarter January through March, etc.)

List contents: The list **must** include a brief narrative describing the issues that were given significant treatment and the programming that provided the treatment. The description of the programs shall include, but shall not be limited to, (1) the time, (2) date, (3) duration and (4) title of each program in which the issue was treated. (Listing ought to include at least 5-10 discrete issues.)

Retention requirements: The list described in this paragraph shall be retained in the public inspection file until final action has been taken on the station's next license renewal application.

Date of Broadcast(s): 6-30-17

RADIO QUARTERLY ISSUES/PROGAMS LISTING

Requirements: Sections 73.3526(e)(12) and 73.3527(e)(8) of the FCC's rules require that every three months each radio broadcast station prepare a listing of programs that have provided by the station to address and treat the most significant community issues during the preceding three month period. The list for each calendar quarter is to be filed by the tenth (10th) day of the succeeding calendar quarter (e.g., January 10 for the quarter October through December, April 10 for the quarter January through March, etc.)

List contents: The list **must** include a brief narrative describing the issues that were given significant treatment and the programming that provided the treatment. The description of the programs shall include, but shall not be limited to, (1) the time, (2) date, (3) duration and (4) title of each program in which the issue was treated. (Listing ought to include at least 5-10 discrete issues.)

Retention requirements: The list described in this paragraph shall be retained in the public inspection file until final action has been taken on the station's next license renewal application.

Issue(s)/Problem(s) addressed by Program: Burglar breaking & entering shot-killed

Program Title: Edge Wise

Program length/duration of segment: 1 hr.

Time of Broadcast(s): 11 am. EST.

Program Description

We talked about the 3 burglars, armed with knives
and brass knuckles, who broke into a home in
Broken Arrow, OK, who were shot and killed by the
home owners son. Some family members of one of
the persons shot and killed believed the home owner's
son used too much force using an AR-15 rifle when
the burglars were only armed with a knife and brass knuckles.
