

Issues and Program Report
WHBK Radio
3rd Quarter
July, August and September 2023

7/11/23 **Madison County Commission Chairman, Matt Wechtel, gave a report on county business. He reported that the Madison High School football stadium construction project will not be completed until early spring 2024 and that the high school football team will play home games at Mars Hill University. He also gave an update on the Madison County Courthouse renovations, the new housing development in Madison County and new tax rates for residents.**
