Why We Support Vegas PBS...

Across Nevada, The Nature Conservancy protects the beautiful Mojave Desert, sagebrush sea, and life-giving rivers that you love. From your drinking water to your favorite outdoor destinations – places like Red Rock Canyon and the Truckee River – The Nature Conservancy works to keep Nevada a place where both nature and people can thrive.

That's why we support Vegas PBS. We love Nevada – just like you—and we know that programming like Nature and the new Outdoor Nevada series are integral to connecting people with the amazing waters, trails and landscapes the Silver State provides. So let's go exploring and, together, work to protect our unique quality of life today and for future generations.

Nevada Board of Trustees
