

## Issues/Programs List

CPR NEWS: KCFC, KCFR, KKPC, KPRE, KPRH, KPRN, KPYP

Jan - March 2021

More reporting can be found at [www.cpr.org](http://www.cpr.org)

Issues; Programs	Narrative	Date/Time/ Duration	Title	Type of Programming
Economy, COVID-19, minority-owned businesses, Congress, Payroll Protection Program; CPR News	Thousands of Colorado business owners accessed the Payroll Protection Program. Minority businesses often didn't get relief quickly, while many white business owners got loans in the early weeks. Changes to the second round of the stimulus program aim to address some of the hurdles that faced minority business owners when the program was first introduced.	1/14/2021	<a href="#"><u>Small Business Aid Program Relaunches With Changes to Help Minority-Owned Businesses</u></a>	Economy, COVID-19
Economy, COVID-19, evictions, housing insecurity, President Biden, Federal aid, eviction moratorium; CPR News	President Joe Biden ordered an extension on a federal moratorium on evictions through the end of March, and federal and state assistance is available. But the moratorium and the funding won't prevent some people from still being evicted. Perspectives and stories of people affected.	1/22/2021	<a href="#"><u>Coloradans Still At Risk Of Losing Their Housing Even With Aid And Biden Postponing Evictions</u></a>	Economy, COVID-19
COVID-19, Arts & Culture, Denver Art Museum, Colorado museums; CPR News	In February, Denver allowed museums to host 50 percent of their capacity. Many other museums around Colorado have also opened to guests with lower capacity than during normal times. Coverage of visitor perspectives, changing expectations and experiences.	3/18/2021	<a href="#"><u>For Coloradans Returning To Museums During COVID, Unexpected Perks Like Fewer Crowds And A Chance To Dress Up</u></a>	Arts & Culture, COVID-19
Space Command, Colorado Springs, Alabama, Department of Defense; CPR News	Efforts to overturn a Trump-era decision to move the Space Command to Alabama.	1/28/2021	<a href="#"><u>Trump Sent Space Command To Alabama. Colorado Hopes To Undo That Decision</u></a>	Politics
Latino population, wildfires, emergency notification, multi-lingual alerts, Eagle County, Garfield County, Voces Unidas de las Montañas; CPR News	About 30 percent of the population in Eagle and Garfield County are Latino. Yet as recently as 2018, incident management teams had no multilingual members, and information was not translated into Spanish. The group Voces Unidas de las Montañas is trying to increase communication and representation.	1/28/2021	<a href="#"><u>After Years Of Tough Lessons, Spanish-Speaking Communities Rise To Get Wildfire Information Fast And In Their Language</u></a>	Environment, Health, Latino Population

Economy, E-Bikes, climate change, COVID-19, commuting, RTD; CPR News	The Can Do Colorado eBike Pilot will award more than 100 e-bikes to essential workers facing commuting challenges with \$560,000 from the Colorado Energy Office, the City of Denver and the Regional Air Quality Council.	2/10/2021	<a href="#"><u>How Colorado's Free E-Bike Program Fits Into Its Plan To Slow Climate Change</u></a>	Economy, Environment, Health, COVID-19
Environment, education, climate change, Colorado State University, communities of color, air quality, wildfires; CPR News	The "Science Moms" seek to "demystify climate change, talk honestly about how it will affect our children and give moms the facts they need to take action." Two of those moms are researchers from Colorado State University.	2/13/2021	<a href="#"><u>These 'Science Moms' Are Worried About Their Kids' Future — And They Want To Help Other Parents Take Climate Change Action</u></a>	Education, Environment, Health
