April – June 2014

THIS IS A LISTING OF MAJOR PROBLEMS AND NEEDS WITHIN THE WAGA-TV SERVICE AREA AND A SAMPLING OF THE NEWS PROGRAMS DIRECTED TO THESE ISSUES IN THE PRECEDING THREE MONTHS.

Description of Typical and Illustrative Programs

GOOD DAY ATLANTA: “GDA” is a daily program with local and national news, as well as interviews that address topical issues and the people affected by them.
(Monday-Friday 4:30-10:00am, and Saturday-Sunday 6:00-8:30am)

FOX5 NEWS: In-depth local and national news.
(Monday-Friday 12:00N-1:00pm; 5:00-6:00pm; and 11:00-11:30pm;
Sunday, 11:00-11:30pm; and,
Monday-Sunday, 6:00-7:00pm and 10:00-11:00pm)

Wednesday’s Child: The goal of this project is to give difficult-to-adopt children a fighting chance. The Wednesday's Child program is nationally known and nationally successful in placing children in need of homes. FOX5 News is now taking part in that success with a series of stories, benefiting the kids and the community.

Atlanta Museum Commemorates Battle of Atlanta with Special Programs: This summer marks 150 years since the famous Battle of Atlanta, fought on July 22nd, 1864 during the Civil War. And there's no better place to learn about this historic event than by checking out the massive painting devoted to it. The Atlanta Cyclorama & Civil War Museum in Atlanta's Grant Park contains what some say is the largest oil painting in the world. At a massive 42 feet tall and 358 feet circumference, the panoramic painting depicts the day Union and Confederate troops battled for the city of Atlanta. There's another massive attraction at the museum -- the famous "Texas" locomotive which won the Great Locomotive Chase of 1862. In addition to these attractions, special programs about the 150th anniversary are planned this summer

Follow The Yellow Brick Road...To Serenbe! With the lush green lawns and friendly neighbors, Serenbe is kind of like the Emerald City. So, it's the perfect place for a unique new production of "The Wonderful Wizard of Oz." Serenbe Playhouse is presenting the production, which runs through August 2nd and is based on the classic L. Frank Baum book that inspired the 1939 film. But, before you go, there's something you should know -- there's no physical playhouse in Serenbe. Artistic Director Brian Clowdus stages productions at various sites around the community. It's called "site-specific" performance -- and immerses the audience in an environment that works along with the play being performed. So, strap on your ruby slippers and prepare to follow the yellow brick road through a real haunted forest! And watch out for the amazing puppets crafted by Atlanta's Center for Puppetry Arts! Good

Day Atlanta's Paul Milliken went behind-the-scenes of this unique production -- and may have had a few run-ins with the Wicked Witch of the West.

Event Urges People to "Scrap Your Scale" Before Swimsuit Season: Nobody loves stepping on the bathroom scale. And, let's be honest...at least once in your life, you've wanted to smash it to pieces when the number it displayed isn't what you expected! Well, a first-time weekend event is calling for people to do just that! Atlanta Center for Eating Disorders, in partnership with The Eating Disorders Information Network, is presenting "Scrap Your Scale" on Saturday, May 10th. The event was inspired by Miss Georgia 2012 Leighton Jordan, who received treatment at ACE and says her life "changed for the better the day I decided to step away from my scale." She adds, "Our Identity is so much more than a number on a piece of plastic, but unfortunately millions of people step on their scale every morning and allow the number to dictate how they will feel about themselves." So, on May 10th, Jordan and

others will decorate their bathroom scales, and then smash them up! The scales will then be given to the art program to create a sculpture.

Camp Sunshine began to expand to other programs when the first Family Camp Weekend was held in 1987. Today, over 375 campers and 200 volunteers participate in one of two weeks or summer camp. While summer camp is the largest program Camp Sunshine provides, it is only one of many. Throughout the year, children with cancer and their families benefit from Camp Sunshine through a variety of recreational programs, including family camp weekends, pre-school programs, teen retreats and activities, young adult programs and sibling camp as well as educational and support programs. In 2003, Camp Sunshine House was opened. This unique non-residential facility is dedicated to the needs of children with cancer and their families. On a weekly basis, children and families attend innovative and much needed support and educational programs at Camp Sunshine. They provide opportunities for family members to share with each other and gain support and knowledge from others who have experienced similar challenges. Programs at Camp Sunshine House also provide educational opportunities with pediatric oncology professionals. In 2006, Camp Sunshine began expanding throughout the state of Georgia to reach even more families by offering regional activities and programs.
