QUARTERLY REPORT OF ISSUES & PROGRAMS

APRIL 1 – JUNE 30, 2022

KDFI-TV DT 27

Serving the Public interest in the Dallas-Fort Worth Market

Ascertainment of Issues

KDFI Channel 27 provides information, education and communication resources to its viewers. The station works with the community to address issues and concerns raised by our viewers through their letters, emails and phone calls. We collect all correspondence as well as respond to phone calls in an effort to ensure we are providing the best service to viewers in our community.

KDFI Channel 27 sponsors community events and is involved with the lives of our viewers. We notify our audience of neighborhood events and other public happenings through airing numerous PSA's during the quarter to educate and inform the public (a list of PSA's and sponsorships that aired is below).

The following PSA campaigns were produced and aired on KDFI MORE 27

Weather and Amber Alerts

KDFI Channel 27 participated as a full partner with the broadcast community in broadcasting emergency information to the market, including Amber Alert and Severe Weather Warnings. Whether it be dangerous lightning, school closings or tornado warnings, KDFI Channel 27 provided timely communications to viewers. Our area experienced record-breaking heat during the month of June, and several outbreaks of severe weather in the 2nd Quarter are highlighted below.

April 4, 2022	During the evening hours and staying into the late night, severe storms broke out over our viewing area. Because of this, KDFI Channel 27 provided continuing coverage of the events by running weather crawls and alerts throughout the entire time.
May 4, 2022	Severe weather blossomed over our viewing area in the afternoon hours. KDFI Channel 27 alerted our viewers with weather crawls during the warnings.
May 5, 2022	Mid-morning thunderstorms drove across our viewing area. KDFI Channel 27 ran weather crawls during the time our viewing area was under them.
May 15, 2022	May storms continued to form over our viewing area. Severe weather developed in the late evening hours and continued throughout the night and into the early morning hours. KDFI Channel 27 alerted our viewers with weather crawls as needed.

Informational Programs

Below is the list of educational and informational programming targeted to children 13-16, both core and non-core programming. Refer to the quarterly 398 for details:

“Elizabeth Stanton’s Great Big World” celebrates and explores the sights all over the world, and brings a better understanding about different ways of life.

“Animal Rescue” showcases spectacular rescues of all types of animals and focuses on the work of dedicated individuals who treat various creatures in the animal kingdom.

“Xploration: DIY Science” works toward the goal to inspire kids to become interested in STEM (science, technology, engineering and math), and ultimately pursue careers in these fields.

“Xploration: Second Chance Pets” Second Chance Pets inspires and educates anyone interested in animal science, engineering, and where the two intersect. Jim Alaimo, owner of My Pet’s Brace, is one of the leading animal posthetists in the world. Alaimo and his world-renowned team saved thousands of animals by creating on-of-a-kind prosthetics and braces that give them a "new leash on life."
