Quarterly Issues/Programs List
Second Quarter, 2021
06/30/2021

KXXY provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Men's Health: National statistics show minorities are most affected by prostate cancer.

Covid 19: Updates on the roll out of vaccines, possible long-term effects, effects on the economy, going back to work, and possible long-term side effects of the vaccines.

**Section I
