Quarterly Issues/Programs List
Third Quarter, 2021
09/30/2021

KXXY provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Covid-although more and more are becoming vaccinated the number of hospitalizations this quarter increased. Why? What is the distinguishing characteristic in the cases?

Weather Safety-Oklahoma is the capital of severe weather. What can we do to be better prepared for severe weather?

Alzheimer's Disease-As baby boomers age, increased numbers of Alzheimer's disease are being reported. What is being done for treatments and prevention.

**Section I
LOCAL PROGRAMMING**
