KXXY  
Quarterly Issues/Programs List

---

KXXY provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **EDUCATION**-While the Legislature discusses various ways to fund public education there are many federal grants available many schools fail to apply for. Also the election contains a bond issue to further fund Vo-Tech education in Oklahoma City. Will it mean a tax increase? College tuition has sky-rocketed in the past several years. Why? And what is causing it?
- **THE ECONOMY-AVOIDING ANOTHER SHUTDOWN**: The Government Shutdown affected many Oklahoma homes, businesses and the Indian Reservations. What is being done about it by the local delegation?
- **ABORTION**-The State Legislature has passed a bill prohibiting so called "trigger abortions". What is next? Will it pass? Will the Governor sign it?
- **IMMIGRATION**-What does the border deal mean for Oklahoma?
- **THE ELECTION**-A County-wide election is scheduled to cover a number of issues. What are they? What are the results? And how has a dead man made it to the runoff?
- **ELDERLY CARE**-Many elderly on fixed incomes own their own homes, but cannot afford to keep them in safe operating condition.
- **THE ENVIRONMENT**-Many in the US Congress are singing the praises of the "Green New Deal". What does it mean and what will it mean for Oklahoma.
- **HOMELESSNESS**-Many youth in Oklahoma have aged out of the Foster Care system but remain homeless. What is being done about it?
- **2<sup>nd</sup> AMENDMENT**-Open, or "Constitutional Carry" passed the legislature and was immediately signed by the governor. What does it mean and who is against it?
- **RELIGIOUS FREEDOM**-Some would say there is a significant attack on Christianity and Christian ideals not only in Oklahoma but nation-wide.

**Section I**  
**LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
