2. Science Education	<p>D4K DIALOGUE FOR KIDS “BE OUTSIDE” A University of Maryland study reports a 50 percent drop in the number of 9 to 12 year-olds who spent time in outdoor activities. Scientists call this nature deficit disorder. But scientists and doctors both know humans need to spend time in the outdoors to stay healthy. If you get outside and do things, you feel better.</p> <p>D4K DIALOGUE FOR KIDS “BIRDS OF PREY” Birds of Prey are raptors. The word raptor comes from a Latin word, rapere, which means to seize or capture. That's one of the things raptors do best. They are great hunters. What makes a bird of prey so skilled at capturing prey? How are these birds different from other kinds of birds? And how do they fly so fast?</p>	<p>4/21/09 2:00 p.m. MT/1:00 p.m. PT 30 minutes</p> <p>5/19/09 2:00 p.m. MT/1:00 p.m. PT 30 minutes</p>
