2. History	<p>The War Ken Burns' documentary explores World War II from an American perspective, examining the experiences of a few men and women from four geographically and economically diverse areas of the United States. It looks at how their lives were transformed during the war years of 1941 through 1945.</p> <p>Outdoor Idaho "Gold Rush Days and Ghost Towns" Thousands of gold seekers pour into Idaho Territory in the 1860s, constructing instant cities in rugged terrain. This look at the past and present of these towns includes interviews with descendants of the miners.</p> <p>Outdoor Idaho "Eyes of the Forest" Mountaintop views, Idaho history and the value of human eyes searching the woods below bring the story of the state's forest lookouts into focus. This special traces their history from 1902 to the present while visiting several of the remaining ones.</p>	<p>7/31/12 – 8/8/12 9:00 p.m. MT/PT 14 ½ hours total</p> <p>8/2/12 8:00 p.m. MT/7:00 p.m. PT 30 minutes</p> <p>8/23/12 8:00 p.m. MT/7:00 p.m. PT 30 minutes</p>
3. Health	Dialogue "David Kessler, Former FDA Commissioner" Former Food and Drug Administration Commissioner David Kessler is known for his efforts to regulate cigarettes, speed the approval of medications for life-threatening illnesses, and start the nutrition labeling program. Dr. Kessler talks about his New York Times-bestselling book, "The End of Overeating," which asserts that fat, salt and sugar in processed foods have an addictive quality that changes brain chemistry, seduces people to eat more than they should, and sets children up for a lifetime of overeating.	7/12/12 8:30 p.m. MT/7:30 p.m. PT 30 minutes

3. Health (cont'd)	Frontline "Endgame: AIDS in Black America" This program explores one of our nations' most urgent health crises: AIDS among African-Americans. It also traces the history of the epidemic through the experiences of individuals who tell their stories.	7/10/12 9:00 p.m. MT/PT 2 hours
4. Health Care	Dialogue "Dr. Ted Epperly – Fractured Health Care" America spends over 2.6 trillion dollars on health care each year, yet we rank 37th in the world for health care outcomes. 50 million Americans have no health insurance, and 80 million are underinsured. Even if the Affordable Health Care Act is fully implemented, the American health care system will still in need a dramatic overhaul. Idaho physician Dr. Ted Epperly addresses these issues in his new book, "Fractured: America's Broken Health Care System and What We Must Do To Heal It."	7/19/12 8:30 p.m. MT/7:30 p.m. PT 30 minutes
5. Education	Dialogue for Kids/D4K "Galaxies" Guest scientist Dr. Amber Straughn, a Research Astrophysicist in the Observational Cosmology Laboratory, at NASA's Goddard Space Flight Center in Greenbelt, Md. will answer questions about galaxies. Straughn also serves as the Deputy Project Scientist for James Webb Space Telescope Education and Public Outreach.	9/18/12 2:00 p.m. MT/1:00 p.m. PT 30 minutes
6. Idaho's Salmon	Outdoor Idaho "Idaho's Salmon" Idaho's history is rich with salmon; the fish provide the essential life-giving marine elements to mountains situated hundreds of miles from the coast. But today they are all but gone, their abundance lost to human needs and excess. Outdoor Idaho explores the decline of Idaho's remarkable salmon and what's being done to bring them back from the brink of extinction.	7/19/12 8:00 p.m. MT/7:00 p.m. PT 30 minutes
7. Wildlife Conservation	Nature "Elsa's Legacy: The Born Free Story" In commemoration of the 50 <sup>th</sup> anniversary of Joy Adamson's book about an orphaned lion cub named Elsa and the lion's later release back into the wild, this film follows the challenges of making the award-winning movie from the book. It also looks at the real-life drama Joy and her husband faced as pioneering conservationists.	9/12/12 7:00 p.m. MT/PT 60 minutes
8. Renewable Energy	Powering the Planet – Earth: The Operators' Manual This documentary travels to locations worldwide that are transitioning from fossil fuels to renewable or low-carbon sources of energy.	8/15/12 9:00 p.m. MT/8:00 p.m. PT 60 minutes
