QUARTERLY ISSUES/PROGRAMS LIST

STATION: Idaho Public Television (KAID, KIPT, KISU, KUID, KCDT)
CITY OF LICENSE: Boise, Twin Falls, Pocatello, Moscow, Coeur d'Alene ID

SIGNIFICANT TREATMENT OF COMMUNITY ISSUES: October 1, 2009 to December 31, 2009

1. Early Childhood Programs include ARTHUR, SESAME STREET, BARNEY & FRIENDS, ZOBOOMAFOO, BETWEEN THE LIONS, THE ELECTRIC COMPANY, WORDGIRL, CYBERCHASE, SID THE SCIENCE KID, SUPER WHYI, MARTHA SPEAKS, etc. These programs are focused on helping young children build strong pre-reading and reading skills. 2. Science Education DAK DIALOGUE FOR KIDS "BIRDS" Host JOAN Cartan-Hansen and two guest scientists answer students' questions about birds and migration – travel habits and destinations. DAK DIALOGUE FOR KIDS "CHEMISTRY" Chemistry is the science of change and chemists study different substances to find out more about them. What happens when you combine chemicals? What things have chemists created? DAK DIALOGUE FOR KIDS "ASTRONOMY" In honor of the 400 th anniversary of Galileo first using a telescope to study the stars and the International Year of Astronomy, DAK looks into one of humanity's oldest sciences. 3. Health/Flu DIALOGUE "H1N1 VIRUS UPDATE" At the end of September, health officials reported Idaho's first death attributed to the novel H1N1 "Swine" flu virus. Schools face growing numbers of students out sick, and doctor visits are increasing. Host Joan Cartan-Hansen talks with Idaho's State Epidemiologist Dr. Christine Hahn about the H1N1 virus in Idaho, about flu shots, and about how individuals, government and businesses should handle this flu season. 4. Wolves	OUTDOOR IDAHO "WOLVES IN IDAHO" It is a creature of legend An animal capable of impressing us with its teamwork and parenting skills, while at the same time shocking us deeply. Once persecuted without mercy to near extinction, wolves are now thriving on our public lands. Outdoor Idaho explores what it means to have wolves in Idaho.	10/15/09 8:00 p.m. MT/7:00 p.m. PT 60 minutes
	DIALOGUE "WOLVES" A wolf hunting season has finally started in Idaho - what are the ramifications of that decision and how long might it stay in place? Host Marcia Franklin and her guests discuss these issues and take questions from viewers. The program immediately follows an episode of Outdoor Idaho that looks at the history of wolf reintroduction in Idaho.	10/15/09 8:30 p.m. MT/7:30 p.m. PT 30 minutes
5. Local Community Interest	OUTDOOR IDAHO "ADVENTURE RACING" Adventure racing attracts athletes who seek to endure long distances and unpredictable challenges by land and water. Outdoor Idaho explores this international sport and its potential to make the Gem State an adventure-racing Mecca.	11/5/09 8:00 p.m. MT/7:00 p.m. PT 30 minutes
	DIALOGUE "KRISTEN ARMSTRONG" She may have hung up her competitive wheels, but cyclist Kristin Armstrong will still be very involved in the sport she loves. This Olympic gold medalist and World Champion has officially retired from the sport, with plans to start a family and teach women about cycling and proper nutrition.	11/5/09 8:30 p.m. MT/7:30 p.m. PT 30 minutes
6. War/National Security	FRONTLINE: OBAMA'S WAR Obama's War" This documentary follows tens of thousands of fresh American troops on the move in Afghanistan, led by a new commander and armed with a counter-insurgency plan that builds on the lessons of Iraq. Producers Martin Smith and Marcela Gaviria examine U.S. counter-insurgency strategy from Afghanistan to Washington, D.C., asking if the U.S. forces can succeed in a land known as the "graveyard of empires."	10/13/09 9:00 p.m. 60 minutes

Issue	Title/Programming Description	Date/Time/Duration
7. Hunting	OUTDOOR IDAHO "THE HUNT"	10/4/09
	The traditions of hunting dictate that animals be taken	7:00 p.m.
	in the spirit of fair play. Some call hunting a sacred act,	30 minutes
	one of the few activities that allows humans to	
	participate in the life and death cycles of the natural	
	world. Is hunting worth preserving and is there a	
	hunting ethic that works as we head into the 21st century?	
8. Mining	OUTDOOR IDAHO "MINING IDAHO"	10/29/09
	OUTDOOR IDAHO poses the question: what role should	8:00 p.m. MT/7:00 p.m. PT
	mining play in a society that now puts a premium on	30 minutes
	clean water and clean air?	
9. Health Care	DIALOGUE "HOSPITAL CEOS"	10/29/09
Reform	The new CEOs of Idaho's two largest regional medical	8:30 p.m. MT/7:30 p.m. PT
	centers discuss, among other subjects, the ongoing	30 minutes
	debate over health care reform.	
	DIALOGUE "DR. TED EPPERLY"	10/22/09
	How will health care reform affect Idahoans? One Gem	8:30 p.m. MT/7:30 p.m. PT
	State physician has been at the center of the health	30 minutes
	care reform debate, and on this week's Dialogue, he	
	shares his experiences. As a national leader of family	
	physicians, Dr. Ted Epperly has counseled President	
	Barrack Obama, testified before Congress, and spoken	
	across the country to help shape current health care reform measures. Host Joan Cartan-Hansen talks with	
	Epperly about what these reforms may mean to	
	residents, physicians and taxpayers.	
	residents, physicians and taxpayers.	
10. Economy	DIALOGUE "STATE BUDGET WOES"	11/12/09
	Despite an improving economy, Idaho's state budget is	8:30 p.m. MT/7:30 p.m. PT
	in trouble. Governor Butch Otter ordered mid-year cuts	30 minutes
	of \$99 million, but the budget still faces a shortfall of	
	another \$52 million. How bleak is the budget situation?
