Issue	Title/Programming Description	Date/Time/Duration
8. Ranching	<p>OUTDOOR IDAHO "FAMILY RANCH HERITAGE"</p> <p>On one of the oldest ranches in Idaho, three generations of the Small family work the land and the cattle, taking joy in the long hours and hard work, determined to preserve the ranch and their prized lifestyle.</p>	<p>9/18/08 8:00 p.m. MT/7:00 p.m. PT 30 minutes</p>
9. Crisis of Financial Institutions	<p>DIALOGUE "WALL STREET WOES"</p> <p>Wall Street is roiling with the news that venerable financial institutions are in crisis. How will the Wall Street woes affect the Main Streets of cities across Idaho, not to mention citizens' savings, and their ability to borrow? Should the government be more closely regulating certain financial transactions, and what are the pros and cons of using taxpayer money to shore up private institutions? Three experts discuss these issues: Bob Maynard, the Chief Investment Officer at the Public Employee Retirement System of Idaho, which manages more than \$10 billion on behalf of Idaho's state employees; Dennis Fitzpatrick, the founder, CEO, and president of D.B. Fitzpatrick and Co., Inc., which manages assets of over \$800 million on behalf of its private and institutional investors; and Professor Don Holley the chair of the Department of Economics at Boise State University and a former economic analyst and forecaster for Ore-Ida Foods.</p>	<p>9/25/08 8:30 p.m. MT/7:30 p.m. PT 30 minutes</p>
10. Teacher Evaluation	<p>DIALOGUE "TEACHER EVALUATION COMMITTEE"</p> <p>Superintendent of Public Instruction Tom Luna and Idaho Education Association President Sherri Woods discuss Luna's proposal to determine new ways to evaluate teachers.</p>	<p>9/18/08 8:00 p.m. MT/7:00 p.m. PT 60 minutes</p>
11. Energy	<p>OUTDOOR IDAHO "POWERED BY NATURE"</p> <p>This episode explores the ways that Idaho is reaching beyond its dependence on falling water for electrical power – to wind, solar, geothermal.</p>	<p>9/11/08 8:30 p.m. MT/7:30 p.m. PT 30 minutes</p>
