HOSTED BY NORTH CENTRAL ARKANSAS ADOPTION COALITION

Bergman Volunteer Fire Fighters Association
P.O. Box 36
Bergman, Arkansas 72615

Fax: 743-1168

KBCN:

Saturday, October 8, from 4 p.m. to 7 p.m., Bergman Volunteer Fire Association will hold it's ANNUAL Chili Supper at the Bergman Fire Station on Southwest Street (turn off Highway 7 across from Ozark Baptist Church). Chili, beverage and dessert will be served for a donation of \$6.00 adult and \$4.00 children (11 and under). Chilidogs and hot dogs will also be available. This Year we will have a RAFFLE MANIA of donated items. Raffle Tickets will be sold at the door [REDACTED]. Proceeds from the supper will be used to purchase equipment for the firefighters, the fire trucks and the fire station. All area residents are invited to come support their volunteer fire department.

Fight the Flu 30-1

Announcer Read :30

The flu is out to get you this fall, but you can fight back. The best thing to do is get a flu shot. Flu shots are 70-90 percent effective against the flu, and you can get one at the Health Department, at your doctor's office, and at many pharmacies and grocery stores. And don't believe that old story—a flu shot just can't give you the flu!

Fight the Flu this Fall! Go to the Health Department's website, www.healthyarkansas.com to find out more.

Arkansas Dept. of Health will be having the Marion County Mass Flu Clinic, October 28, 2016 at the Marion County Local Health Unit 707 Hwy 202 W, Yellville, AR. From 7am to 3pm.

For more information call 870-449-4259
