

Cumulus Radio
STATION GROUP™
A DIVISION OF CUMULUS MEDIA

Talk Radio 790, KABC-AM

Chief Operators Designation

It is herein posted that Anthony Vitiello is designated Chief Operator for the following radio station:

KABC-AM

Herein referred to as the stations, as defined under-

BMML-20170710ACF

The designated Chief Operator is herein charged with maintaining the operations of the stations within the terms and conditions of the stations within the requirements of the Federal Communications Commission's rules and regulations. The Chief Operator is empowered with the necessary authority to carry out this charge.

During the times when the Chief Operator is unavailable to perform the assigned duties, Curt Hemming will act as Chief Operator with the same responsibility and authority as the Chief Operator. In the event that the Chief Operator and the alternate Chief Operator are unavailable to perform the assigned duties, the designation of an interim Chief Operator will be made and posted on the employee bulletin board.

This designation made on January 1st, 2021 supersedes any previous designations.
