

## Escape Public File Information

July 12, 2018

Some stations in the Phoenix market are currently participating in ATSC 3.0 testing. During the test, KFPH-CD's ATSC 1.0 digital multicast stream Escape has moved from KFPH-CD to KNXV-TV (Facility ID No. 59440), licensed to Scripps Broadcasting Holdings LLC. The station continues to use the same call sign and virtual channel number 35.4. All public file information can be found at <https://publicfiles.fcc.gov/tv-profile/kfph-cd>.
