

On June 12, 2023, Rod Krol and Lisa DeAngelo reviewed the ascertainments that were conducted with Community Leaders from the Gratiot, Clinton, and Shiawassee areas. We then came up with a list of issues, needs, and problems for the 3rd Quarter of 2023.

- * Health/Safety/Violence/Drugs/Alcohol/Nutrition
- * Jobs/Economy/Inflation/Poverty/Gas Prices/Taxes
- * Community Events/Non-Profit Organizations
- * Roads/Transportation
- * Schools/Education/Youth/Seniors/Diversity/Veterans/Family
- * Development/City/Restoration/Small Business/ Housing/ Technology
- * Crime/Gun Violence
- * Agriculture/Environment/Weather
- * Politics/Government

Rod Krol, President, Krol Communications

Lisa DeAngelo, Office Manager, Krol Communications Inc.

There follows a listing of the significant issues responded to by station WISZ along with the most significant programming treatment of those issues for the period of July - September 2023. The listing is by no means exhaustive. The order in which the issues appear does not reflect priority of significance. Issues were determined by news, PSA's received and interviews with community leaders and station management.

Description of Issue	Program/ Segment	Date	Time	Duration	Narration of type and description of Program
Health/Safety/Violence/Drugs/ Alcohol/Nutrition	PSA	07/01-09/30/23	Various	30 seconds, 211 times	SHAWASSEE HEALTH AND WELLNESS PSA ABOUT THE 24 CRISIS LINE AND HOW TO GET HELP

But UAW President Shawn Fain now says if there isn't major movement by noon this Friday, more workers will walk out. Only three plants remain off the job at the moment, including the Ford Plant in Wayne, but the union warned they could call for additional strikes this week if their demands are not met. The UAW has reportedly adjusted its demand for a 46% wage hike down to the mid-30s. The union is also pushing for a 32-hour work week, ending of the tier system and restoration of traditional pensions for new hires.
Roads/Transportation	News	09/20/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	30 seconds	Day 6 in the auto talks, with a new, UAW-imposed deadline of noon this Friday being set before the UAW says the strike will expand if no major progress is made in negotiations. Meanwhile, Republican presidential candidate Donald Trump is planning to come to Detroit to speak to UAW members rather than take part in next Wednesday's latest GOP debate. That's got UAW President Shawn Fain firing back, saying Trump is the very representation of the billionaire class and an economy that the union is fighting. Ford and Canadian auto workers "reached a tentative agreement" in negotiations for a new labor contract. An agreement between Ford and the union representing over 5,600 members, on a new contract deal in Canada would stave off strike action
Roads/Transportation	News	09/21/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	20 seconds	Not much movement is being reported in talks between the UAW and Detroit's Big 3 automakers over the last 24 hours. Officials with Stellantis say layoffs in that company will be the result. They expect about 300 workers to be sidelined in Kokomo, Indiana on the heels of 68 workers just laid off in Perysburg, Ohio. Those moves come just ahead of tomorrow's UAW deadline for a substantially better offer from automakers before it could expand its strike, which is currently limited to three assembly plants.
Roads/Transportation	News	09/21/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	15 seconds	A deadly motorcycle crash in Saginaw County is under investigation. MLive reports that the victims were 54-year-old Kevin Palacio of Saginaw and 45-year-old Amanda Kilch from Burt. They were killed when their bike was hit head-on Tuesday by an oncoming vehicle trying to pass another one on M-52 near Harris Road in Brady Township.
Roads/Transportation	News	09/22/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	20 seconds	Will the UAW strike against Detroit's Big 3 automakers expand today? That's looking ever more likely as the noon deadline for a deal nears. Now, reports say leaked messages from an aide of UAW president Shawn Fain about the union's strike strategy against the Detroit Big 3 say the UAW is inflicting "reputational damage and operational chaos" at GM, Ford and Stellantis. Screenshots of the leaked messages from UAW communications director Jonah Furman elicited accusations of bad-faith bargaining from the automakers.
Roads/Transportation	News	09/25/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	30 seconds	The UAW strike targets among Detroit's Big 3 automakers expanded last Friday, with over 200 workers at the Lansing Redistribution Center on Mt Hope Rd. walking off the job, as well as both the Davison Road Processing Center in Burton and the Flint Processing Center in Swartz Creek stopping production at plants that employ nearly 1,700 workers. GM's response to the move: the UAW leadership is manipulating the bargaining process. Stellantis says they think the UAW seem more concerned about pursuing their own political agendas. President Biden is expected to travel to Michigan to address UAW workers tomorrow and former President Trump plans a visit to the workers on Wednesday.

Armed robbery charges are being sought against an 18-year-old suspect - one of two allegedly connected to the Wednesday morning incident at the store on West Saginaw Street. Several phones and cash are said to have been taken. The second suspect remains at large.

There follows a listing of the significant issues responded to by station WJSZ along with the most significant programming treatment of those issues for the period of July-September 2023. The listing is by no means exhaustive. The order in which the issues appear does not reflect priority of significance. Issues were determined by news, PSA's received and interviews with community leaders and station management.

Description of Issue	Program/ Segment	Date	Time	Duration	Narration of type and description of Program
Agriculture/Environment/ Weather	Morning National Ag News	All Weekdays	5:40am	1 minute 30 seconds	This program focuses on a quick an complete concise review of the day's top ag news headlines from across the country and around the world. From Brownfield Ag News for America.
Agriculture/Environment/ Weather	Morning Michigan Agribusiness News	All Weekdays	5:41:30am	3 minutes	This report provides news and features for and about Michigan farmers and agribusiness. Topics covered may range from state and national legislation to crop conditions and ag events. All news directly impacting agriculture in Michigan. From Brownfield Ad News for America.
Agriculture/Environment/ Weather	Dairy Update	All Weekdays	5:44:30am	2 minutes	This daily program focuses on the dairy industry, featuring dairy economists, new technology, markets, and legislation actively impacting the nation's dairy farmers. From Brownfield Ad News for America.
Agriculture/Environment/ Weather	Morning Livestock Report	All Weekdays	5:46:30am.	2 minutes 30 seconds	This program offers a quick review of cash hog and cattle markets, along with reasons behind price moves. Reports of boxed beef and pork carcass cutouts are included for a well-rounded review that helps set the stage for the day's livestock market. From Brownfield Ad News for America.
Agriculture/Environment/ Weather	Managing For Profit	All Weekdays	5:49am	3 minutes	This program offers expert perspectives on risk management in production agriculture. Includes information that will help producers better utilize crop insurance, government programs and other tools and to better understand everything from tax planning to environmental regulations. From Brownfield Ad News for America.
Agriculture/Environment/ Weather	Great Lakes Ag Report	All Weekdays	5:54am.	2 minutes	This program is designed to educate and inform the consumer with topics and issues in Agriculture in the Great Lakes Region From Brownfield AgNews for America.
Agriculture/Environment/ Weather	Healthy Living	All Weekdays	5:54am	1 minute 30 seconds	This program is designed to educate and inform the consumer with topics ranging from food safety to heritage, heirloom and organic foods: from smart shopping and what to look for when buying meat. It also covers current legislation and many issues as they affect consumer choices and pocket books. From Brownfield Ad News for America.
Agriculture/Environment/ Weather	PSA	07/01 - 07/30/23	Various	30 seconds, 11 times	MAB PSA ABOUT HOW TO BURN SAFELY AND RESPONSIBLY. SPONSORED BY THE MICHIGAN DEPARTMENT OF NATURAL RESOURCES AND THE MICHIGAN ASSOCIATION OF BROADCASTERS
Agriculture/Environment/ Weather	In Focus	07/02/23	9:30am	30 minutes	INTERVIEW WITH CANDENCE MASSUCH, OWNER AND OPERATOR OF RED SHED FARM STAND, ABOUT GROWING FOOD, GARDENING, BENEFITS, TRICKS AND ISSUES THAT MAY ARISE. SHE ADDRESSED HOW TO GET STARTED, GROWING TIPS AND THE IMPORTANCE OF KNOWING WHERE YOUR FOOD COMES FROM AND THE DANGERS OF OVERLY-PROCESSED FOOD
Agriculture/Environment/ Weather	News	07/03/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	The GOOD news...after spending most of the week in the "unhealthy" range, Michigan's air quality is returning to normal. Statistics from IQ Air show that the air quality scores have returned to the area in the "moderate" air quality category. This comes on the heels of last week's struggle for many folks with respiratory issues - and even some WITHOUT - battling through "unhealthy" air quality, prompting health officials to urge you to remain indoors.

Agriculture/Environment/ Weather	News	07/07/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	20 seconds	Hearts raced for a few moments in one corner of Saginaw County yesterday. A funnel cloud was reportedly spotted in the area of Frankenmuth and Blumfield Township near M-46 and Gera roads just after 2:15pm. It seemed to dissipate within a matter of ten minutes. 9-1-1 received reports of a funnel cloud in that vicinity and the severe weather warning sirens were activated. No reports of any damage, though.
Agriculture/Environment/ Weather	PSA	07/08- 09/24/23	Various	30 seconds, 20 times	MAB PSA ABOUT PROTECTING AND MANAGING MICHIGAN'S NATURAL RESOURCES, SPONSORED BY THE MICHIGAN ASSOCIATION OF BROADCASTERS AND THE MICHIGAN WILDLIFE COUNCIL

A national ban on those bulbs kicked in yesterday, and now you can only get energy-efficient LED light bulbs from retailers. They cost more to purchase, but they last far longer and use less electricity.

Agriculture/Environment/ Weather	News	08/07/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	45 seconds	Rain greeted the start of the Shiawassee County Fair yesterday. Day Two today kicks off with the swine market show at 9am. Tonight at the grandstand you can catch Blue Water Micro Championship Wrestling's Great Lakes Micro Mayhem Tour. The action starts at 6:30pm. Among the Best of Show Youth Exhibit Building award winners announced at the Fair were Evelyn Murphy for Culinary Arts, Vivian Hovis for Floriculture, Julie Dieck in Fine Arts, Tirzah Heuer in Horticulture, Ellie Liebegood for Needlework and Gregory Henderson for Woodworking and Welding Sciences. Congratulations to all..... Another big winner - with the crown to prove it - Emma Challenger...named Shiawassee County Fair Queen over the weekend. The Argus Press reports Challenger is a 2023 graduate of Coruna High School who is en route to pursuing an agriculture degree at Michigan State University. She's currently State Vice President of the Michigan FFA Region IV and a Shiawassee County Junior Fair Board member.
Agriculture/Environment/ Weather	News	08/08/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	Severe storms were threatening much of the eastern and southern U.S. overnight with heavy rain, damaging winds large hail and even tornadoes in some places, according to the National Weather Service. At least two people have died in the storms, which saw thousands of flights were canceled in places including New York, D.C., and Georgia, as trees and powerlines were downed in sever states, as over 1 million customers were left without power overnight.
Agriculture/Environment/ Weather	News	08/10/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	The Shiawassee County Fair rolls on into another fun-packed day in Coruna. The Argus Press reports fair-goers are getting to see dazzling tricks like obstacle course mastery and flying frisbee catches performed by a group of rescue dogs called the Marvelous Muts, who perform at 1pm and 7pm daily through tomorrow, then do three shows on Saturday. Today the scheduled action in the grandstand features the draft horse obstacle course at 1pm, at 5pm it's the Custer Cowboys and at 7pm the Michigan Horse Pullers.
Agriculture/Environment/ Weather	News	08/14/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	40 seconds	Clean-up continues this morning amid the state of emergency declared in the wake of the EF-1 tornado that tore through Perry on Friday. The National Weather Service said the storm initially touched down 2 1/2 miles west of town at 7:51 p.m. Friday near the intersection of Beardslee and W. Britton roads. The twister then went through Ruess and Boulder Lake roads, leaving downed trees and fallen limbs. The storm strengthened as it entered the city. Damage at the intersection of Polly and Lamb streets and southeast to 2nd and Washington included uprooted tree, large sheared tree limbs and visible shingle and siding damage to homes. The storm left the ground at 8:03 p.m., just west of town. By Saturday morning many downtown businesses had already reopened.
Agriculture/Environment/ Weather	News	08/22/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	15 seconds	Over a 141 million people were under heat alerts overnight as a dangerous heat dome lingered over a major swath of the Midwest, South and Southwest. The heat dome is setting records for its intensity since at least 1950 and comes in a summer that's been notable for its historic high temperatures.
Agriculture/Environment/ Weather	News	08/24/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	The heat is on today around the region.... Temperatures being forecast to hit the 90s with heat index readings that forecasters say should approach 100. It happens on what - for some schools - is opening day. Because of that there are at least a few districts that are making scheduling adjustments to deal with the sizzle. Word is that both Jackson Public Schools and Napoleon Schools will only have a half-day of classes instead of the originally-scheduled full day.
Agriculture/Environment/ Weather	News	08/25/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25seconds	Lots of folks waiting for power to come back on this morning as they prepare to clean up around their homes following some severe storms last night. The winds at times hitting 70 mph in some spots and late last night there were as many as 330,000 power outages reported statewide. The storm toppled trees and power lines in many locations and there were even some reports of a possible tornado in Ingham County.

Agriculture/Environment/ Weather	News	08/28/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	45 seconds	Crews with Consumers Energy, DTE and BWL continue to finish up the painstaking task of restoring power to all who lost it last week when the tornado roared through Ingham County. Shiawassee County wasn't in the bull's-eye of the storm, but was hit with enough force to result in nearly 7,500 power outages. Owosso, Coruna and Byron schools were forced to close when power went out. The Argus Press reports that parents of Owosso students had to contact the district's Facebook page to get messages relayed to their kids since phone and Internet service was knocked out. Consumers Energy tried to spread a little good will in the area for folks trying to rebound from the ordeal of making it through Thursday's storm. They offered some free meals yesterday. They served up breakfast in Manchester at Grand River Brewery, Grass Lake was the spot for lunch at the Willis Field Complex and Grand Ledge was where you could grab a free hot dog and root beer at the Saginaw Highway A&W.
Agriculture/Environment/ Weather	News	08/28/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	Forecasters are watching developments with Tropical Storm Idalia that formed yesterday morning. They expect the storm to intensify — potentially rapidly, over record-warm ocean waters for this time of year. The National Hurricane Center forecasts the storm to make landfall somewhere between Tampa and Tallahassee on Wednesday morning. Computer models are showing the potential for the storm to reach Category 2 or even 3 intensity before making landfall.
Agriculture/Environment/ Weather	News	08/29/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	20 seconds	Idalia...the tropical storm is forecast to become a hurricane overnight and then rapidly intensify over record-warm waters in the Gulf of Mexico. The National Hurricane Center warns the storm will bring a "life-threatening" storm surge into Florida's Big Bend area southward to Tampa Bay. They say it will hit an area particularly sensitive to high surge events.
Agriculture/Environment/ Weather	News	08/29/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	15 seconds	Trying to bounce back from last week's severe storm...Ingham and Eaton counties...And yesterday Gov. Whitmer declared a state of emergency for both. Leaders of those counties are looking to obtain financial reimbursement for expenses connected to storm response and clean-up.
Agriculture/Environment/ Weather	News	08/30/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	Hurricane Idalia is rapidly intensifying as it moves over record-warm waters in the Gulf of Mexico and conditions have been deteriorating since the high-end Category 2 storm's outer bands moved into Southwest Florida yesterday. "SHELTER IN PLACE!" said the National Weather Service's Tampa Bay office online early this morning, noting the hurricane was strengthening ahead of its expected landfall as an "extremely dangerous" Category 4 storm on the Big Bend coast of Florida this morning.
Agriculture/Environment/ Weather	News	08/31/23	6:00 a.m. 6:30 a.m. 7:00 a.m. 7:30 a.m. 8:00 a.m. 8:30 a.m.	25 seconds	Idalia is now a tropical storm that has been producing "very heavy rains" over North and South Carolina and causing "significant" flooding last night after earlier making landfall in Florida as a Category 3 hurricane. Idalia weakened to a tropical storm last evening, but the National Hurricane Center warned it still would pummel Southeastern states with extreme weather, damaging winds and heavy rainfall through today, making flash and river flooding likely across the region.
Agriculture/Environment/ Weather	PSA	09/01- 09/08/23	Various	30 seconds, 20 times	PSA ABOUT THE SHIAWASSEE COUNTY HEALTH DEPARTMENT'S HOUSEHOLD HAZARDOUS WASTE COLLECTION DROP OFF TO PROTECT THE ENVIRONMENT

One officially makes Juneteenth a state holiday in Michigan. The holiday commemorates the end of slavery in America and was made a federal holiday when President Biden signed the Juneteenth National Independence Day Act in June of 2021. The governor also signed a bipartisan Senate bill that will remove the asset test as a prerequisite to getting SNAP benefits in Michigan. Up to now, folks who had more than \$15,000 in total assets could not get that food assistance. Michigan now becomes one of 37 states with similar laws. And Gov. Whitmer is honoring a fallen Michigan State Police trooper by signing a bill that places his name on a section of US-127. The bill now designates the section of 127 between Mason and the I-96 interchange near Lansing as Trooper Starr Memorial Highway. The action honors Trooper Caleb Starr, who was killed by a drunk driver who hit Starr's cruiser head-on in July of 2020. Starr was 33.

It's a surprise twist that developed in the courtroom yesterday after a plea deal with federal prosecutors unraveled following the judge's concerns over the agreement. Hunter Biden was charged last month with two misdemeanor tax crimes of failure to pay more than \$100,000 in taxes from over \$.5 million in income in both 2017 and 2018, and he had made an agreement with prosecutors, who were planning to recommend two years of probation. That deal is now on hold.
