Growing Power offers a unique opportunity for families and youth to learn about where their food comes from and how to build a community food system, from the earth up. By connecting youth to food production and cultivation, they will experience life on the farm via hands-on learning in farm maintenance, organic production methods, harvesting and marketing. Call today to get involved!

Are you over the age of 17 and looking for an opportunity to earn a good living while developing highly marketable skills for life? The Chicago Regional Council of Carpenters offers an Apprentice Training Program that combines hands-on classroom education with on-the-job training. Call today for more information.
