**DATE:** 11-03-15 **TITLE:** Imperial Election Day

**LENGTH:** 1.56 sec

**PROGRAM:** Noticias Univision El Centro

**NARRATIVE:** Maduro Rosa and Eddy were one of the few people in El Centro California who came to vote. They claim that besides being a civic duty is the opportunity you have to choose the candidates to help the community. In this general election, in Imperial Valley are voting for councilors in the cities of El Centro, Brawley and Calipatria addition to 12 school districts directives tables. The common denominator in the boxes was the abstention. A phenomenon that authorities claim occurs regularly for 2 reasons. First, because there are not presidential elections, and second, because other elections are due to ignorance of those who are registered to vote. Election officials urge people who have not come to vote, to go out and vote, you can go until 8 pm. To find the place where you can cast your vote please call Imperial County Elections at 442-265-1060 from El Centro. Abraham Retana, Univision El Centro.

---

**DATE:** 11-03-15 **TITLE:** Election Winners

---

---

**LENGTH:**

2.08mins

**PROGRAM:** Noticias Univision El Centro

**NARRATIVE:** For El Centro councilors virtual winners are Jason Jackson, Edgar Garcia and Efrain Silva. Efrain Silva is happy with the results but says he must wait for the final decision. While in Brawley, the race for council is still very tight but those seeking reelection are optimistic that there will be a positive outcome. El Centro Mayor Efrain Silva, who seeks re-election, expressed that the issue of Planned Parenthood clinic somehow affects the course of the local election. So far 114 of the 128 boxes been counted. Abstention was more than evident as only 15.82% of the 37,000 registered voters implemented their civic duty, bringing a concern to electoral authorities.

For more information or donations for Thanksgiving and Christmas please call the food bank of Imperial Valley to 760 370 0966.

---

**DATE:** 11-06-15 **TITLE:** Reduce Rates Calexico Trade

**LENGTH:** 1.40 mins

**PROGRAM:** Noticias Univision El Centro

**NARRATIVE:** Sandra Prado has been established in her perfume store for 8 years in Calexico and said that although it was not difficult to open a new bussiness; however, to keep it operating due to the high charges of permits and license from the city has been difficult. To ensure that this doesn't continue happening, councilman Armando Real was given the task of investigating the rates of taxes and licenses in other cities including Imperial county and found that Calexico is the most expensive city to start a business. Councilman says that some regulations in El Centro cost 800 dollars while in Calexico it costs 10 times more. He adds that this is a factor for both banks and businesses to leave the city. Rates should be standarized with other Valley cities to attract Calexico trade again and not only become a gateway entry to the United States.

---

**NARRATIVE:** To commemorate veterans the Imperial Valley has a series of events, to start the IV transit transportation system providing free service to those who have lent their services to the armed forces. Trips will be free from today until November 13; must present their military credentials to the bus driver. Moreover, on Wednesday El Centro union of veterans will hold its annual ceremony in the city cemenry at 9 am. In the city of Holtville there will be a parade held with the participation of veterans from the wars in Vietnam, Korea and Desert Storm. The event will begin at 10 am. For those who have served this country it is an honor and a privilege to have fought for the ideals of this country. Another way to honor veterans is to know their rights for lending his military service, in that sense, the veterans service office of Imperial Valley provides advice on how they can get the benefits entitled to. Including benefits available to spouses of fallen soldiers, and children of soldiers wounded during or after a war; for example, free higher education.

## FCC Local Community Issues/Reports

DATE: 12-01-15 TITLE: False Firearm incidents in El Centro  
LENGTH: 1.45 sec  
PROGRAM: Noticias Univision El Centro  
NARRATIVE: The police department of El Centro has had at least 5 incidents related to false firearms in the last 2 months. As of today, no one has been processed for the possession of these said false firearms, but police say that officials only have a few seconds before taking a decision on how to act because the firearms are very similar to the real ones. Families have been put to the knowledge to avoid buying toy guns, that are very similar to real ones, to avoid any severe consequences from the general public or the police and face criminal charges. To citizens of the community it is very alarming to hear this kind of cases happening in the valley because it potentially causes the death of an innocent life. Authorities want to avoid incidents with false guns because this can result in a tragedy.
