

# TU PULSO

April 1 – April 30, 2007

**Note: All “TU PULSO” programs have duration of 23:20.**

## April 7

### **Topic: Elderly Services**

This show focuses on the Medicare reform and the confusion it some times brings to the beneficiaries. The price of medicines is discussed, as well as services provided by a national program called Vista and the benefits that may be obtained by becoming members of AARP.

### **Topic: San Antonio**

San Antonio Overpopulation and Abandoning of Pets, Spay Neuter and how Animal Care Center, Wild Animal Orphanage, Animal Resource Center and veterinarians work together to help rid the community of sicknesses.

## April 14

### **Topic: Diabetes**

In Texas, 1.6 million people have diabetes. In addition, 20% of the U.S. population has type 1 or 2 diabetes. The show covers topics on prevention, doctor recommendations and the Juvenile Foundation of Diabetics. This show explains the difference between type 1, or juvenile, and Type 2.

### **Topic: Teen Drivers**

Program covers the importance and safety issues related to teen driving. Several teens and parents are interviewed to discuss accidents and how reckless driving has changed their lives.

## April 21

### **Topic: Scholarship Program In Cleveland**

This program covers Lakeland Community College, one of six Journalism Schools that has a Hispanic track in their journalism program. The program covers the stories of Latino students and the challenges they face aspiring to become journalists in the Hispanic media.

### **Topic El Barrio**

The show covers the works of “El Barrio”, a non-for-profit organization that assists Latinos in overcoming economic challenges. The program helps Latinos with financial and educational assistance.

## **April 28**

### **Topic: Cleveland**

This show focuses on the growing Puerto Rican community in Cleveland, Ohio. The show has segments on the curriculum at Cleveland State University, the diverse student body and campus life for Latinos. Several Latino students share their thoughts on how to get from high school to college and onto the work force.

### **Topic: Pittsburgh Part 1**

This show focuses on the number of business synergies the Latino community has developed in Pittsburgh. Whether it is mortgage lending, starting a business or the offering and support of the church community, this small but emerging community is gaining political and purchasing power in this old steel town.

# TU PULSO

May 1 – May 31, 2007

**Note: All “TU PULSO” programs have duration of 23:20.**

## **May 5**

### **Topic: Boston**

This show focuses on the social programs available in Boston for those that are socially/economically challenged. Also the show has a segment that illustrates the higher education Latino community at schools such as Harvard and MIT.

### **Topic: Cancer**

This program covers the excellent work that Columbia Presbyterian Hospital is doing for the Latino community in New York City. This hospital provides free medical care for children who have brain tumors. Segments focus on the number of patients who have been helped by the hospital. Since the inception of the program, the hospital has helped over 100 children.

## **May 12**

### **Topic: Pittsburgh Part 2**

This is the second show on Pittsburgh that depicts the emerging Hispanic community in this former steel city. The show focuses on the number of synergies that the Latino community has developed whether it is in mortgage lending, starting a business or being part of a church community. Various leaders are interviewed and community resources are emphasized.

### **Topic: Mental Health**

This program expands on the subject of a healthy state of mind. Latinos, for the most part, encounter stress in their daily lives leading to suicide and mental breakdowns. Topics cover suggestions by physicians on how to relieve stress and lead healthy lives.

## **May 19**

### **Topic: Buying a Home**

This show features a step-by-step approach on how to buy a home. Topics covered include establishing and improving a credit history, understanding what a mortgage is, understanding when and how to refinance, looking out for pitfalls when buying a home and finally what to do in case something goes wrong. The segment emphasizes the importance of buying a home and offers information on organizations that advocate the consumer.

**Topic: Art**

This program covers the impact of Latino art on American society. The show illustrates the different art cultures as depicted throughout all Latin American countries. Segments cover professional and amateur artists as well as the benefits of art to the public.

**May 26****Topic: Violence in the Community**

This show addresses the problem of violence in Hispanic communities. Various community leaders offer advice to parents on how to stir their children in the right direction and away from gangs. The segment also touches on domestic violence and informs the viewer on organizations that offer support to victims.

**Topic: Autism**

One out of every 150 children is diagnosed with autism. The show covers the early signs of autism, doctor recommendations on how to work with autistic children and conversations with families who have autistic children. Segments illustrate the leading autism advocacy organizations and their cutting-edge programs for research, treatment, and family services.

# TU PULSO

June 1 – June 30, 2007

**Note: All “TU PULSO” programs have duration of 23:20.**

## **June 2**

### **Topic: Investments**

This show informs viewers on how to improve their financial health. Topics discussed include establishing the habit of saving, setting up a 401k account and investing in mutual funds as well as in the stock market.

### **Topic: Sundance**

Show covers all the Latino film makers and artists of the 2007 Sundance Festival. Segments discuss the obstacles that Latinos face in Hollywood and the big screen. Also we discuss with actors and film makers the big hit “La Mesa Luna”, and the steps that aspiring film makers should consider before deciding to have a career in film making and production.

## **June 9**

### **Topic: Importance of Performing Arts**

Program covers local Los Angeles artists and how the Latino community benefits from Arts programs in schools. A series of artists volunteer at schools and community centers to assist students in developing art skills.

### **Topic: Child Obesity**

This show focuses on teaching healthy eating habits to children and their families. It illustrates the importance of incorporating physical activity and nutrition as the cornerstone of preventing obesity in children and adolescents. Families and schools are the two most critical links in providing the foundation for these behaviors.

## **June 16**

### **Topic: Iraq**

This show focuses on the Iraq situation and how it affects the Hispanic soldiers that are serving in Iraq, as well as the families left behind. There are Latino heroes, and one of them received the Silver Star for saving the lives of two of his fellow soldiers.

### **Topic: Elderly Services**

This show focuses on the Medicare reform and the confusion it some times brings to the beneficiaries. The price of medicines is discussed, as well as services provided by a national program called Vista and the benefits that may be obtained by becoming members of AARP.

## **June 23**

### **Topic: San Antonio**

San Antonio Overpopulation and Abandoning of Pets, Spay Neuter and how Animal Care Center, Wild Animal Orphanage, Animal Resource Center and veterinarians work together to help rid the community of sicknesses.

### **Topic: Diabetes**

In Texas, 1.6 million people have diabetes. In addition, 20% of the U.S. population has type 1 or 2 diabetes. The show covers topics on prevention, doctor recommendations and the Juvenile Foundation of Diabetics. This show explains the difference between type 1, or juvenile, and Type 2.

## **June 30**

### **Topic: Teen Drivers**

Program covers the importance and safety issues related to teen driving. Several teens and parents are interviewed to discuss accidents and how reckless driving has changed their lives.

### **Topic: Scholarship Program In Cleveland**

This program covers Lakeland Community College, one of six Journalism Schools that has a Hispanic track in their journalism program. The program covers the stories of Latino students and the challenges they face aspiring to become journalists in the Hispanic media.
