Hi Jennifer,

I won't be there on Thursday as I have a fractured sacrum, so I am going to have to get Brooke to fill out the paperwork and collect the money. Do you know what schedule you want to run and when did you want to start the spots?

**Importance:** High

Ideally recording in the afternoon on Friday the 23rd. (Calendar limits)

I have one, maybe two 30-sec. spots to record.

Please let me know Billy's availability.

Thank you!

Hi Jennifer,

I hope all is going well with you. I wanted to see if you would be needing any ads anytime soon. October inventory is getting low and I thought we might need to move sooner than later on ads.

Let me know how I can help.

Thx!
