Pretty Baby: Brooke Shields

Monday, January 8, 2024

7:00-10:00 P.M.

ABC News Studios announces the network premiere of the award-winning documentary “Pretty Baby: Brooke Shields,” from Emmy Award-winning director Lana Wilson (“Miss Americana”). The film, produced in partnership with Boat Rocker’s Matador Content and Bedby8 for ABC News Studios, celebrated its world premiere to a sold-out crowd and standing ovation at the 2023 Sundance Film Festival before premiering on Hulu. “Pretty Baby: Brooke Shields” garnered ABC News its first-ever Primetime Emmy Award nominations with two nods in nonfiction program categories, including Outstanding Directing for a Documentary for Lana Wilson and Outstanding Picture Editing. The documentary is a galvanizing look at actor, model and icon Brooke Shields as she transforms from a sexualized young girl to a woman discovering her power. Holding a mirror up to a society that objectifies women and girls, her story shows the perils and triumphs of gaining agency in a hostile world.

Truth and Lies: The Hunted

Thursday, January 25, 2024

8:00-10:00 P.M.

After 23-year-old escort Shannan Gilbert disappeared in 2010, police stumbled upon a serial killer’s graveyard in Gilgo Beach, Long Island — which held the human remains of four other missing sex workers. Shortly after, authorities discovered six more bodies along the same stretch of road. “Truth and Lies: The Hunted” chronicles the twists and turns in the decade-long investigation to find the Long Island serial killer, uncovering allegations of corruption and police biases that slowed the investigation and enraged the victims’ family members. This episode takes viewers inside the task force that used new technology that led to the July 2023 arrest of the man now accused of murdering those four sex workers: Rex Heuermann, a husband and father who police claim was leading a dark double life. Heuermann has pleaded not guilty to these charges. “Truth and Lies: The Hunted” explores the police’s ongoing investigation of this notorious case and dives deep into the subculture of sex work, giving viewers the point of view of the women behind these headlines.

Through interviews with Rush's friends, former Titan "mission specialists" and adventure pioneers, the episode explores the groundbreaking technology behind the Titan, painting a picture of both the excitement and devastation surrounding the deadly venture. The program also takes viewers through the pivotal moments that ultimately led to the demise of the Titan and all on board its final tragic journey into the deep sea.

Never-before-seen footage takes viewers inside this closed community that encourages women to "keep sweet" by suppressing emotions and obeying their husbands and the all-knowing prophet. By unraveling the complexities of power, faith and control, the documentary paints a vivid portrait of the impact the FLDS had on its followers and the broader implications of Jeffs' leadership, which still influences the society he constructed.

ABC NEWS PROGRAMS – First Quarter, 2024

20/20

Three Shots in the Dark

Friday, January 5, 2024

8:00-10:00 P.M.

In May 2022, Anna Moriah Wilson, a promising young cyclist bringing new energy to the emerging sport of gravel racing, was suddenly gunned down in Austin, Texas, just days before a major race. The last person to see her alive was fellow cyclist Colin Strickland, who had a brief romantic relationship with Wilson before turning platonic again. Authorities quickly identified a suspect: Colin's on-again/off-again girlfriend, Kaitlin Armstrong. ABC News chief national correspondent Matt Gutman investigates the details of the grisly murder, the 43-day hunt for Kaitlin that crossed state and international lines, and the trial that reached a verdict in November of 2023. The two-hour episode includes exclusive interviews with Mike Armstrong, Kaitlin's father; Nicole Mertz, Kaitlin's former friend who tipped off police to disturbing comments she allegedly made about Moriah; and a neighbor at the crime scene who provided key surveillance videos to authorities. The episode also features the first interviews with Jose Garza, Travis County district attorney, and prosecutors Rickey Jones and Guillermo Gonzalez. Additional interviews include Kaitlin's neighbors in Costa Rica, including one who witnessed her arrest.

There is a Monster in Me

Friday, January 19, 2024

8:00-10:00 P.M.

In 1987, when authorities found Susan Woods naked and murdered in her home in Stephenville, Texas, the tight-knit community was quick to place the blame on Michael Woods, her estranged husband. But when fingerprints at the scene did not match Michael's, the case ground to a halt. Twenty years later, a different detective took a fresh look at the evidence and was able to find a match for the fingerprints: Scott Hatley, a local man with a violent history. However, the details of the gruesome murder and Scott's motives remained a mystery until 2022, when Scott's writings about his life and crimes found in a trailer next to his dead body shed new light on the case. In a new "20/20," ABC News contributor Chris Connelly takes viewers inside the shocking murder and the decades-long search for answers.

Gypsy-Rose: The Next Act

Friday, January 26, 2024

8:00-10:00 P.M.

For over a decade, Gypsy-Rose Blanchard lived in a wheelchair and allegedly suffered from multiple medical issues, including leukemia, seizures and muscular dystrophy. Known in her community as a local hero, Gypsy and her mother, Dee Dee, spoke at conferences, met celebrities, and even received a home from Habitat for Humanity. However, everything changed in 2015, when police discovered Dee Dee stabbed to death in her home and named Gypsy and her secret boyfriend, Nicholas Godejohn, as the main suspects. In a case that reverberated across the nation, experts revealed that this was likely a case of Munchausen by proxy, a form of abuse, usually by a parent to their child, in which a guardian exaggerates or induces illness in a child often motivated by a desire for attention and sympathy — Gypsy says she was a healthy young woman. In a new "20/20," co-anchor Deborah Roberts sits down with Gypsy one week after her release from prison to talk about life behind bars, her reckoning with her past, and how she is dealing with her newfound fame.

Ruby Franke – from Momfluencer to Felon

Friday, March 22, 2024

8:00-10:00 P.M.

Ruby Franke's YouTube channel "8 Passengers" was a portrait of social media success. For years, the wife and mother of six, who were members of the Church of Jesus Christ of Latter-Day Saints, amassed nearly 2.5 million followers documenting the daily life of her children. However, the image of the perfect family

began to crack when her controversial videos displayed her strict parenting. In August of 2023, one of Ruby's children, malnourished with duct tape and wounds on his wrists and ankles, escaped the home of Franke's friend and business partner, Jodi Hildebrandt, and asked a neighbor for help. A new "20/20," with reporting from "Nightline" co-anchor Juju Chang, unravels the unimaginable abuse at the hands of Ruby and Jodi, told through never-before-seen body camera video, recorded calls, and Ruby's own journal detailing the horrific abuse. "20/20" also includes an exclusive interview with Jodi's niece, Jessi Hildebrandt, and newly unveiled police interviews recounting the events of the day authorities arrested Ruby and Jodi and the frantic search for the Franke children in four different cities. The program features interviews with Emily Palmer, senior crime writer at People Magazine; Randy Kester, attorney for Kevin Franke; Adam Steed, Stephanie Jones and Trey Warner, former therapy patients of Jodi Hildebrandt; and Jo Piazza, author and host of the "Under the Influence" podcast.
