

Douglas Broadcasting Quarterly Issues Programs List

Douglas Broadcasting's radio stations are involved in their communities. Management and staff regularly attempt to ascertain the most pressing issues and needs of the community, and then to present programming which addresses those issues and needs. The following list shows some of the significant issues responded to by station programming, along with examples of programming aired in response to those issues during the quarter noted. The listing is by no means exhaustive, and the order in which the issues appear does not reflect any priority or significance.
