SUBJECT: Pressley Ridge for Community Forum

DISCUSSION: Pressley Ridge is a treatment foster care program in MD. They train parents to provide a foster service to the kids. There are normally two kids put into each home to give them individual attention. Right now, Pressley Ridge needs local foster care parents. The demand for kids to be placed exceeds the families they have. They need someone to make a difference for kids. There is lots of support and trained staff so parents are not doing this all alone. Also, Pressley Ridge needs part time parents. Information meeting night will be hosted at 327 Beall Street in Cumberland on February 20th.
