Dear Susan,

On behalf of the United Way of McLean County and our Women United affinity group, we would like to thank you for your participation in our 5<sup>th</sup> Annual Power of the Purse held on June 14, 2023. Thanks to your support, we were able to raise \$34,500 to benefit our Dolly Parton's Imagination Library for children in McLean County. With over 1,870 children already participating in our program, this fundraiser will ensure these families and so many more one free book each month for a year until the child's 5<sup>th</sup> birthday.

For more information about our Dolly Parton's Imagination Library, please feel free to contact me at any time.

Have a wonderful summer and best regards,

Pat

GLAAD rewrites the script for LGBTQ+ acceptance. As a dynamic media force, GLAAD tackles tough issues to shape the narrative and provoke dialogue that leads to cultural change. GLAAD protects all that has been accomplished and creates a world where everyone can live the life they love.

GLSEN

GLSEN believes that every student has the right to a safe, supportive, and LGBTQ+ inclusive K-12 education. We are a national network of educators, students, and local GLSEN Chapters working to make this right a reality. Our research and experience have shown that there are four major ways that schools can cultivate a safe and supportive environment for all their students, regardless of sexual orientation, gender identity or expression.

GEA NETWORK

Gender & Sexualities Alliance, or GSA for short, are student-run organizations that unite LGBTQ+ and allied youth to build community and organize around issues impacting them in their schools and communities. GSAs have evolved beyond their traditional role to serve as safe spaces for LGBTQ+ youth in middle schools and high schools and have emerged as vehicles for social change related to racial, gender, and educational justice.
